Statement No. I.

3. The population has been shown according to the Imperial Census of 1891. The area remained the same as last year.

4. There was no change in the number of Boards or in their constitution, there being, as in the previous year, 6 District Boards and 40 Táluka Boards. The Collector of the district is the President of the District Board, and the Assistant and Deputy Collectors preside over the Táluka Boards in their sub-divisions. The Panch Mahâls is the only district in this division to which the elective franchise has not been extended, owing to its backward condition.

5. Compared with the preceding year the numbers of nominated and elected members show an increase of one each, the total number being 730. The increase is due to the reconstitution of the District Board of Thâna, *vide* Government Resolution No. 268 of 22nd January 1895, General Department. Of the total number of members 191 are officials and 539 non-officials against 186 officials and 542 non-officials in the previous year. There are 39 Europeans and Eurasians and 691 Natives against 36 Europeans and Eurasians and 692 Natives last year. No fresh elections were held during the year.

6. The following table shows the number of meetings held in each district, the number of official and non-official members on the Boards, and the average attendance:—

| District. | Number of meetings | Members. | | | Average Attendance. | | |
|---|---|---|---|---|---|---|---|
| | | Officials. | Non-officials. | Total. | Officials. | Non-officials. | Total. |
| Ahmedabad ... ... ... | 53 | 61 | 92 | 153 | 3·3 | 4·5 | 7·8 |
| Kaira ... ... ... | 40 | 33 | 111 | 144 | 2·37 | 7·35 | 9·72 |
| Panch Maháls ... ... ... | 12 | 11 | 21 | 32 | 2·3 | 3· | 5·3 |
| Broach ... ... ... | 36 | 19 | 77 | 96 | 2·3 | 5·97 | 8·27 |

| Thána ... ... ... | 46 | 29 | 141 | 170 | 1·3 | 7·7 | 9· |
| Total ... | 229 | 191 | 539 | 730 | 2·3 | 6· | 8·3 |

7. It will be seen from the above that the total number of meetings held during the year was 229 against 233 in the preceding year. Compared with the previous year the average attendance of official members has improved in Kaira and Broach. In Ahmedabad and Thána there is a slight fall, while in the Panch Maháls and Surat there is no change. In the case of non-official members there has been a slight improvement in all districts, except Panch Maháls and Surat where there is a slight decrease.

8. The District Boards held 18 meetings against 19 last year. The number of meetings and average attendance were as per margin. The attendance of members has improved in all districts, except Ahmedabad, where there is again a decrease this year. All the District and Táluka Local Boards except Chorási complied with the provisions of the law regarding the holding of half-yearly meetings.

| District. | Number of meetings. | Average attendance. |
|---|---|---|
| Ahmedabad ... | 4 | 10·4 |
| Kaira ... ... | 4 | 12·5 |

## Statement No. II.

9. The total income of the several Boards amounted to Rs. 14,27,355-2-5 against Rs. 11,34,765-13-5 in the preceding year, showing an increase of Rs. 2,92,589-5-0. Including the balance of Rs. 7,07,452-6-7 at the commencement of the year, the sum available for expenditure was Rs. 21,34,807-9-0 as against Rs. 20,28,507-0-3 last year.

10. The following table exhibits the principal items of income as compared with the receipts in the preceding year:—

| Heads. | 1895-96. | | | 1894-95. | | |

| Debt ... ... ... ... | 1,558 | 12 | 7 | 1,370 | 0 | 0 |

11. *I.—Land Revenue.*—The receipts under this head are made up of miscellaneous fluctuating items such as sale-proceeds of grass, trees, &c., and show a small decrease of Rs. 123-8-11 which does not call for remark.

12. *VI.—Provincial Rates.*—The income under this head is derived from the net proceeds of the one-anna cess levied under the Bombay Local Funds Acts of 1869 and 1884, and constitutes the principal source of revenue.

13. The following table shows the proportion of the net receipts from one-anna cess to the total income, and the incidence of the cess per head of population:—

| District. | Total Income. | Revenue derived from one-anna cess. | Percentage of column 3 to column 2. | Incidence of one-anna cess per head of population. |
|---|---|---|---|---|
| 1 | 2 | 3 | 4 | 5 |
| | Rs. a. p. | Rs. a. p. | | Rs. a. p. |
| Ahmedabad ... ... ... | 2,40,983 15 6 | 1,42,570 0 2 | 59·1 | 0 2 5 |
| Kaira ... ... ... ... | 2,65,193 0 10 | 1,89,606 5 3 | 71·5 | 0 3 6 |
| Panch Mahâls ... ... ... | 72,689 15 8 | 29,851 7 10 | 41· | 0 1 6 |
| Broach ... ... ... ... | 3,38,671 4 4 | 2,87,929 11 3 | 85·01 | 0 13 6 |
| Surat ... ... ... ... | 2,93,688 6 3 | 1,77,066 4 10 | 60·02 | 0 4 4 |
| Thâna ... ... ... ... | 2,16,128 7 10 | 72,816 15 1 | 33·6 | 0 1 5 |
| Total ... | 14,27,355 2 5 | 8,99,840 12 5 | 63·04 | 0 3 8 |

14. As compared with last year there is a net increase of Rs. 2,69,096-10-9. The increase is contributed by all the districts. The largest contributor is Broach, where the increase amounts to Rs. 2,19,670-12-8, and is stated to be due to the recovery of instalments of land revenue which fell due in the preceding year, but the collection of which had been deferred. The increase of Rs. 25,111-0-0 in Surat is attributed to the recovery of the whole of the revenue instalments during the year. In Kaira the increase of Rs. 14,175-8-9 is due to the introduction of the revised rates of revenue assessment. The increase in other districts is small and is due to a rise in the land-revenue demand.

15. *XIX—Education.*—There is a decrease of Rs. 798-0-2 in the income under this head as compared with the preceding year, and is chiefly due to a decrease in the receipts from contributions for educational purposes.

16. *XX—Medical.*—The total receipts under this head amounted to Rs. 12,578-9-5, and show a decrease of Rs. 1,812-9-7, as compared with the figures of the previous year. The decrease is nominal and is due principally to account adjustments.

17. *XXXII—Civil Works.*—The principal items credited to this head are receipts from ferries and tolls on roads and contributions from private persons. The total income amounted to Rs. 2,04,847-14-4 against Rs. 1,91,624-0-9 in the preceding year, and shows an increase of Rs. 13,223-13-7, which is chiefly due to larger contributions having been received during the year.

18. *Toll collections.*—There is an increase of Rs. 4,084-12-5 in Surat and Broach and a decrease of Rs. 3,621-8-4 in the remaining districts, leaving a net increase of Rs. 463-4-1 which is due to the keen competition at the auction-sales in Surat and Broach.

Contributions under XXXII—Civil Works.

19. As compared with the figures of the preceding year the receipts under this head show an aggregate increase of Rs. 16,012-1-2 in Surat, Ahmedabad and the Panch Mahâls and a decrease of Rs. 3,116-3-5 in Kaira, Thâna and Broach; thus there is a net increase of Rs. 12,895-13-9. Ahmedabad is the largest contributor to the increase owing to liberal contributions having been received from private individuals towards the construction of Veterinary Dispensary building.

20. *Contributions.*—The receipts under this head amounted in all to Rs. 2,32,913-15-4 against Rs. 2,17,884-5-6 in the preceding year, showing an

increase of Rs. 15,029-9-10. The increase is contributed by all the districts except Kaira and is mainly due to increased Government grants for water-supply. The following table furnishes details of the items composing these receipts:—

| District. | Fees for permission to remove sand or to quarry. | Fixed contributions in lieu of one-anna cess on excise revenue. | Government grant for village sanitation and water-supply. | Government grant for primary education. | Fisheries fees and fines. | Government grant towards the construction of school buildings. | Government grant towards the construction of roads or other public works. | Total. |

*Exclusive of Rs. 82-1-5 on account of contributions from other Boards.

21. *Miscellaneous.*—The receipts amounted to Rs. 2,514-5-10 against Rs. 2,100-10-11 in the previous year and are made up of the following items:—

| | Rs. | a. | p. |
|---|---|---|---|
| Sale of old stores, &c. ,... ... | 412 | 6 | 0 |
| Staging bungalow fees ,... ... | 1,292 | 4 | 4 |
| Serái fees ,, ,... ... | 312 | 8 | 1 |
| Other items ... ,... ... | 497 | 3 | 5 |
| Total ... | 2,514 | 5 | 10 |

The increase of Rs. 413-10-11 is chiefly due to larger receipts under other items which are of a fluctuating nature and call for no explanation.

22. *Cattle-pound Receipts.*—The receipts under this head amounted to Rs. 24,209-4-0 against Rs. 26,322-5-5 in the preceding year, showing a decrease of Rs. 2,113-1-5 owing to a smaller number of cattle having been impounded during the year.

23. *Debt.*—The decrease under this head is small and calls for no remark.

24. The incidence of income per head of population in the several districts of this division is as under:—

| | Rs. | a. | p. |
|---|---|---|---|
| Ahmedabad ... ... ... | 0 | 4 | 2 |
| Kaira ... ... ... ... | 0 | 4 | 10 |
| Panch Mahâls ... ... ... | 0 | 3 | 9 |
| Broach ... ... ... | 0 | 15 | 10 |
| Surat ... ... ... ... | 0 | 7 | 3 |
| Thâna ... ... ... ... | 0 | 4 | 3 |

The large increase in Broach as compared with last year is due to the recovery in the year under report of the land revenue instalments which fell due in the previous year as pointed out in paragraph 14.

## Statement No. III.

25. The total expenditure of the several Boards amounted to Rs. 13,71,307-7-2 against Rs. 13,21,054-9-8 in the preceding year and shows an increase of

Rs. 50,252-13-6. The following comparative table shows the principal items of expenditure :—

| Heads. | Expenditure during 1895-96. | | | Expenditure during 1894-95. | | | Increase. | | | Decrease. | | |

| | | | | Net Increase ... | | | 50 282 | 13 | 6 | ..... | | |

26. *Administration.*—The expenditure under this head amounted to Rs. 37,441-3-5 against Rs. 27,971-3-4 last year and exhibits an increase of Rs. 9,470-0-1. The expenditure includes as usual charges on account of establishments entertained by the several Local Boards under Section 38 of the Local Boards Act as also the pay and allowances of clerks employed on Local Fund works in the offices of the Divisional Commissioner, the Collectors, the Accountant-General and the Educational Inspectors. The largest increase of Rs. 8,502-11-9 occurs in the Thána District and is mainly due to the payment in the year under report of contributions for 1894-95 and 1895-96 towards the establishments entertained in the Collector's and Commissioner's offices.

27. *Education.*—The following comparative table furnishes the details of expenditure under this head; it amounts to Rs. 4,12,508-9-6 against Rs. 4,02,052-14-0 in the previous year and exhibits an increase of Rs. 10,515-11-6 :—

| | 1895-96. | | | 1894-95. | | |
|---|---|---|---|---|---|---|
| | Rs. | a. | p. | Rs. | a. | p. |
| Middle Class Schools ... ... ... | 531 | 0 | 0 | 405 | 0 | 0 |
| Primary Schools ... ... ... | 3,82,635 | 13 | 3 | 3,72,762 | 15 | 0 |
| Grants-in-aid to Indigenous Schools and Schools transferred to Municipality ... ... | 17,032 | 13 | 7 | 17,472 | 11 | 1 |

| Total ... | 4,12,508 | 9 | 6 | 4,02,052 | 14 | 0 |

The increase is contributed by all the districts except Ahmedabad where there is a decrease of Rs. 3,266-8-1. The chief contributors are Surat and Kaira owing to the pay of trained teachers having been raised in accordance with the orders of Government and to the opening of several new schools including Káliparaj schools in Surat with scholarships to encourage the backward classes.

28. *Medical.*—The charges under this head consist of the following items :—

| | 1895-96. | | | 1894-95. | | |
|---|---|---|---|---|---|---|
| | Rs. | a. | p. | Rs. | a. | p. |
| Grants to Hospitals and Dispensaries ... | 38,635 | 0 | 5 | 38,644 | 12 | 2 |
| Vaccination Establishment and Charges... | 20,171 | 7 | 7 | 20,053 | 0 | 3 |
| Sanitation Charges ... ... | 3,329 | 8 | 5 | 1,253 | 7 | 0 |
| Total ... | 62,136 | 0 | 5 | 59,951 | 3 | 5 |

The increase of Rs. 2,184-13-0 is distributed over all the districts except Kaira and is due to contributions paid to the Sanitary Committees in the Surat and Thána Districts and to the payment of grants to dispensaries in the Panch Maháls.

29. *Scientific and other Minor Departments.*—The details of expenditure under this head as compared with the preceding year are given below :—

| | 1895-96. | | | 1894-85. | | |
|---|---|---|---|---|---|---|
| Veterinary charges ... | 4,712 | 4 | 5 | 2,723 | 0 | 2 |
| Bull and stallion charges ... | 1,139 | 7 | 10 | 1,086 | 13 | 7 |
| | 5,851 | 12 | 3 | 3,809 | 13 | 9 |

The increase of Rs. 2,041-14-6 occurs in Kaira and is due to the receipts and charges of the Veterinary Dispensary at Nadiád for the whole year having been included in the account for 1895-96 instead of for a portion of the year, the dispensary having been transferred to the Local Board under Government Resolution No. 10572, dated 22nd December 1894.

30. *Stationery and Printing.*—The expenditure under this head has risen to Rs. 3,238-12-10 from Rs. 2,669-1-5 in the preceding year. The increase of Rs. 569-11-5 is chiefly due to the printing charges incurred in Thána in connection with the triennial Local Board elections and in Surat to the printing of the Local Board Code framed for the guidance of the officers concerned.

31. *Miscellaneous.*—The charges on account of Dharmshála and staging bungalow establishment maintained by Local Boards and contributions to Municipalities under Section 47 of the Act are included under this head. The expenditure amounted to Rs. 14,353-10-6 against Rs. 13,469-15-7 last year. The increase of Rs. 883-10-11 is partly due to the refund in Surat of contributions received from the public in consequence of there being no immediate prospect of the works being undertaken and partly to larger amounts being spent on road-side trees in Broach.

The charges on account of petty establishments shown under this head amount to Rs. 8,176-4-3, out of which Rs. 4,045-11-6 were spent on account of pay and contingencies of establishments entertained to watch and clean staging bungalows, dharmshálas, &c., in charge of Local Boards, and the remaining sum of Rs. 4,130-8-9 was expended as detailed below :—

| | Rs. | a. | p. |
|---|---|---|---|
| Pay of a servant to look after the fire engine at Hálol in the Panch Maháls ... ... ... | 24 | 0 | 0 |
| Pay and contingencies of the establishment entertained for planting and preservation of road-side trees and water-bearers to fill water in troughs for cattle, &c.... ... ... | 2,334 | 8 | 0 |
| Charges of establishment entertained to ply ferries in the Broach District... ... ... | 1,772 | 0 | 9 |
| | 4,130 | 8 | 9 |

32. *Civil Works.*—The total expenditure under this head rose from Rs. 7,72,208-13-0 to Rs. 7,95,944-10-2. The charges represent 58·04 per cent. of the total expenditure during the year as against 58·2 per cent. last year. Considerable attention has been paid by District officers generally to the subject of village sanitation while on tour, and much has been done towards the removal of manure heaps from objectionable places and the removal of rank vegetation and other refuse in and around villages, although no charges have fallen on the Boards on this account.

43. As required by Government Resolution No. 779, dated 30th January 1890, I submit herewith the notes of the several Executive Engineers in the Division showing the original cost, mileage and present condition of the Local Fund roads in their respective charges.

44. In accordance with the orders of Government conveyed in paragraph 15 of their Resolution No. 3179, dated 30th July 1895, a brief review is given below of the progress made during the year in each of the districts of this Division in material improvements.

*Ahmedabad.*—The most important work in progress during the year was the new road from Ahmedabad to Bâreja. This work which has been completed has been in hand since 1888-89, and Rs. 18,951-7-10 were spent on it during the year under report; the total expenditure on this road has been Rs. 1,14,597 which includes the cost of constructing a branch from Chandola to Shahalam, about a mile in length. Rs. 1,464-1-3 and Rs. 1,032-10-8 were respectively spent on improving the road from Dhandhuka to Jugdi and constructing a causeway across the Bhogawa river between the Phedra Bridge and Gundi. On the former road Rs. 21,829-1-3 have been expended up to the end of the year. Besides the above, Rs. 4,967-5-10 were expended in metalling and constructing other minor roads. No less than Rs. 47,053-5-8 were spent on repairing roads which is always a heavy item. Among the other works constructed during the year are 5 school-houses, 2 bridges across the Khari Cut and 3 dharmshâlas. Owing to the construction of the Ahmedabad-Bâreja road no other new works of importance could be undertaken, but now that this work has been completed and the Board has a fairly large balance, it is to be hoped that the Board will proceed to take in hand some of the more important roads which are at present unmetalled. With the help of the special grants-in-aid from Government the Board was enabled to effect material improvement in village water-supply, a sum of Rs. 27,485-4-8 having been expended on that account. Five new tanks and 47 wells were constructed during the year at a cost of Rs. 11,784-12-3, while Rs. 15,700-8-5 were spent in repairing 52 wells, 8 troughs, 43 tanks, 5 drains, 1 channel and 1 bund.

*Kaira.*—The important work of metalling the Nadiâd-Kapadvanj road was in progress during the year and a further sum of Rs. 17,033-12-3 was spent on it. The Collector states that the whole work will be completed with a small additional outlay in 1896-97. Rs. 6,160-9-6 were expended on village and other minor roads in the district and Rs. 54,664-3-2 in repairing old roads.

Good progress was made in the construction of school-houses, 13 having been built at a cost of Rs. 19,743-15-5. The additions to the Civil Hospital at Kaira have been completed, a sum of Rs. 558-8-11 having been spent on the work during the year. The total expenditure on this work amounts to Rs. 9,744-8-11.

Much attention has been paid to village water-supply. During the year 42 new wells and troughs were built at a cost of Rs. 14,196-15-3 and 54 wells and 52 tanks were repaired at a cost of Rs. 31,199-15-0.

The District Board maintains two veterinary institutions, one stationary at Nadiâd and the other itinerating throughout the district with the help of contri-

butions from the Nadiád Municipality, agricultural association and a grant from Government. These institutions are growing in usefulness and treated 2,499 animals during the year.

*Panch Mahâls.*—The expenditure of the Boards amounted to Rs. 1,02,447-15-10 and exceeded that of last year by Rs. 20,955-6-9. The principal works of importance commenced and completed during the year are the following:—

6. Waste weir on the Dadhimati river at Dohad.
7. 2 school-houses.

Rs. 16,019-11-8 were expended on repairing and maintaining existing roads.

Satisfactory progress was made in the improvement of water-supply. 9 new tanks and 17 new wells were constructed during the year at a cost of Rs. 9,867-6-11 and 91 existing sources of water-supply (46 wells and 45 tanks) were repaired at an outlay of Rs. 7,805-1-11.

*Broach.*—Progress is being made in metalling the Broach-Jambusar road, the most important line of communication in the district, Rs. 20,066-12-1 having been spent on that account. Its total length is 30 miles, of which 11 miles have been metalled up to the end of the year.

The other important works undertaken during the year are as under :—

1. Bridge over the Khandali Nála on the Derol-Vágra road.
2. Nála crossings on the Derol-Vágra road.
3. Dharmshála near Railway Station at Anklesvar.
4. Culvert on the road to Samlod near Chamárgaon.
5. Dispensary at Dehej.
6. 7 school-houses.

A sum of Rs. 31,730-0-4 was spent in repairing existing roads.

Considerable progress has been made in improving village water-supply. Rs. 14,264 were spent on 18 new tanks and Rs. 17,320 on 43 new wells and troughs, while 31 existing wells and tanks were repaired at a cost of Rs. 6,000.

*Surat.*—The total expenditure amounted to Rs. 2,93,500, showing a decrease of Rs. 26,945 as compared with the previous year, but several useful works were undertaken and completed during the year. One of the most notable events of the year's administration is the issue of a printed Code which substitutes a definite system for the more or less vague understanding on which the funds are generally worked and which varies according to the energy and peculiar views of the persons concerned. Three copies of the Code are appended for the information of Government.

The two bridges, one at Kanai Khádi in the Jalálpor Táluka and the other over the Wanki River in the Bulsár Táluka, undertaken during the preceding year, were completed and opened for traffic during the year under report. Besides the above two works the following important works were also undertaken and completed :—

(1). Three culverts on Bulsár-Dharampur road.
(2). A bridge on the road from Surat to Itchápor.
(3). Katárgaon village road.
(4). Sithan bridge at Olpad.
(5). Chickkhádi bridge in Bárdoli.

On the Udváda road Rs. 16,000 were spent during the year. The road is now completed except a few culverts, Rs. 29,147 were expended on the construction of new water-supply works and on the maintenance of existing ones. 7 new tanks and 45 new wells were constructed and 35 wells, 19 tanks and 1 bund repaired at a cost of Rs. 17,072-14-10 and Rs. 12,074-7-4 respectively. Rs. 57,052-9-1 were expended on repairs to existing roads.

*Thána.*—The total expenditure during the year under report amounted to Rs. 2,24,722-6-7 against Rs. 1,90,882-7-9 and shows an increase of Rs. 33,840. Rs. 1,32,028 were expended on works, and of this sum Rs. 7,129-14-11 were spent on repairs to communications. No new works of importance were undertaken by the Board. The following are the principal original works carried out during the year:—

1. Road from Manor to Váda.
2. Do. Sopára to Nilla.
3. Completing the road from Vevji to Umbargaon.
4. Road from Bháyndar to Utan.
5. Pitching on the sides of the Málád-Marve road.

This district possesses a good system of roads, but it necessarily entails a large outlay annually on account of repairs.

Three new school-houses were constructed at a cost of Rs. 1,790. Fair progress has been made in the improvement of the water-supply. 77 new wells were constructed at a cost of Rs. 18,239-1-1 and 31 wells and 10 tanks repaired at an outlay of Rs. 3,967-1-2.

Owing to the prevalence of cattle disease in the Sháhápur Táluka during the year a veterinary graduate was employed by the District Board for the treatment of the sick cattle. This is as it should be, but the Board might usefully consider the desirability of starting an itinerating Veterinary Dispensary as has been done in some of the other districts.

I have the honour to be,

Sir,

Your most obedient Servant,

F. S. P. LELY,

Acting Commissioner, N. D.

No. R.—3518 of 1896.

FROM

THE HONOURABLE MR. J. K. SPENCE,
Commissioner, C. D.;

To

THE SECRETARY TO GOVERNMENT,
General Department, Bombay.

*Poona, 12th September 1896.*

SIR,

I have the honour to submit the Annual Report on the Administration of the Local Boards, in the Central Division for the year 1895-96, together with the usual Statistical Statements I to IV compiled in the prescribed form.

STATEMENT I.—CONSTITUTION OF THE BOARDS.

2. Although the new triennial term of the Local Boards commenced from the beginning of the year under report, the constitution of the Boards underwent no material change during the year, there being as in the previous year 6 District Boards and 65 Táluka Local Boards. The total area and the total population for the Division also remained unchanged. As contrasted with the previous year, the total number of members in the year under report shows a net increase of three as detailed below :—

| | Increase. | Decrease. |
|---|---|---|
| *Ahmednagar.* | | |
| The decrease of one member in the elected class is due to the failure on the part of the Táluka Local Board of Nagar to send in for publication the name of a member elected by the Nagar Municipality under Section 6 clause (*a*) of the Local Boards Act; and the decrease of another in the total of nominated members followed as a natural sequel to the foregoing decrease ... ... ... ... | ... | 2 |
| *Khándesh.* | | |
| An Inámdár member elected by the Erandol Táluka Local Board ... | 1 | ... |
| A consequent increase in the nominated members of the same Board ... | 1 | ... |
| A member elected by the Ráver Municipality on the Sávda Táluka Board ... ... ... ... ... ... | 1 | ... |
| A consequent increase in the nominated members on the same Board ... | 1 | ... |
| An Inámdár member not elected by the Jalgaon Táluka Board ... | ... | 1 |
| A consequent decrease in the nominated members on the same Board ... | ... | 1 |
| A decrease in the nominated members on the District Local Board, the total number, including the President, being equal to the elected number ... ... ... ... ... ... | ... | 1 |
| *Sátára.* | | |
| An Inámdár member elected by the Vita Municipality on the Kháuápur Táluka Board ... ... ... ... ... | 1 | ... |
| A consequent increase in the nominated members on the same Board ... | 1 | ... |
| *Sholápur.* | | |
| There is an increase of 1 in the elected and of 1 in the nominated members on the Sángola Táluka Board. The increase is due to the correction of an error which occurred last year ... ... | 2 | ... |
| Total ... | 8 | 5 |
| Net increase ... | 3 | ... |

3. Of the total number of 1,212 members 6 are *ex-officio*, 639 nominated and 567 elected. The number of official and non-official members is 280 and 932 against 249 and 960 respectively in the preceding year. The variations are principally due to vacancies arising from the resignation, &c., of non-official members having been filled by the appointment of official ones.

4. The following table shows the number of meetings held in each district, the number of official and non-official members on the Boards and the average attendance of members at meetings:—

| Districts. | Number of Meetings. | Members. | | | Average Attendance. | | |
|---|---|---|---|---|---|---|---|
| | | Official. | Non-official. | Total. | Official. | Non-official. | Total. |
| Ahmednagar ... ... | 77 | 55 | 145 | 200 | 2·25 | 6·89 | 9·14 |
| Khándesh ... ... | 106 | 56 | 242 | 298 | 3 | 6 | 9 |
| Násik ... ... ... | 65 | 59 | 152 | 211 | 2·9 | 5·77 | 8·67 |
| Poona ... ... ... | 41 | 32 | 123 | 155 | 2·31 | 7·2 | 9·51 |
| Sátára ... ... ... | 66 | 44 | 166 | 210 | 2 | 8 | 10 |
| Sholápur ... ... | 42 | 34 | 104 | 138 | 2·51 | 6·50 | 9·01 |
| Total ... | 397 | 280 | 932 | 1,212 | 2·5 | 6.7 | 9·2 |

5. The total number of meetings held in the year was 397 against 387 in the previous year. The provisions of the law regarding the holding of half-yearly meetings were complied with by all the District and Táluka Local Boards.

6. Judging from the figures representing the average attendance of members for each district, during the current and the previous years, a general improvement on the whole is clearly perceptible. Ahmednagar and Násik are the only districts in which a slight falling off, in the former as regards official members, and in the latter as regards non-official members, has occurred. In all other cases except two, taking official and non-official members separately and together, the attendance shows more or less improvement. In the two cases excepted, which concern the official members in Khándesh and Sátára, the attendance has remained stationary.

7. The average attendance of official and non-official members shown against each District and Táluka Local Board has been obtained by dividing the total number of members present at all the meetings held by the total number of meetings. The average attendance for a district has been deduced by adding up the averages for all the Boards in that district and dividing the total by the number of Boards.

## Statement II.—Income.

8. The total income of the several Boards from all sources amounted to Rs. 14,87,340-9-1 against Rs. 14,55,777-8-4 in the preceding year showing an increase of Rs. 31,563-0-9. Adding to the total income the balance of Rs. 8,80,141-15-5 at the commencement of the year, the sum available for expenditure during the year was Rs. 23,67,482-8-6 against Rs. 24,04,956-13-6 in the previous year. The following table shows the income under the various heads in the year under report and the previous year:—

| Heads. | Income during 1895-96. | Income during 1894-95. | Increase. | Decrease. |
|---|---|---|---|---|
| | Rs. a. p. | Rs. a. p. | Rs. a. p. | Rs. a. p. |

| VI.—Provincial Rates ... ... | 8,26,965 5 0 | 8,17,442 8 10 | 9,522 12 2 | ..... |
| XII.—Interest ... ... ... | 146 10 2 | 194 15 8 | ..... | 48 5 6 |
| XVII.—Police... ... ... ... | 1,14,537 1 11 | 1,16,980 5 7 | ..... | 2,443 3 8 |

| XXV.—Miscellaneous ... ... | 2,819 0 11 | 2,649 1 8 | 169 15 3 | ..... |
| XXXII.—Civil Works ... ... ... | 1,93,207 15 7 | 2,02,021 15 3 | ..... | 8,813 15 8 |
| Contributions... ... ... | 2,80,866 1 6 | 2,51,403 2 1 | 29,462 15 5 | ..... |
| Debt ... ... ... ... | 1,623 2 10 | 1,154 0 0 | 469 2 10 | ..... |
| Total ... | 14,87,340 9 1 | 14,55,777 8 4 | 47,504 3 10 | 15,941 3 1 |
| | | Net Increase .. | 31,563 0 9 | |

9. *I—Land Revenue.*—The receipts under this head represent the sale-proceeds of trees, grass, &c., the total realizations on account of which amounted to Rs. 9,064-11-2 against Rs. 2,374-7-8 in the previous year. The increase of Rs. 6,690-3-6 is mainly due to the sale of trees in Khándesh and the loppings of road-side trees in Sátára.

10. *VI—Provincial Rates.*—The income under this head is derived from the net-proceeds of the one-anna cess levied under the Bombay Local Funds Acts and constitutes the principal source of revenue. The total realizations compared with the figures of the past year show an increase of Rs. 9,522-12-2. The following table shows the proportion of the net receipts from the one-anna cess to the total income and the incidence of the cess per head of population :—

| Year. | Total Income. | Net Revenue derived from one-anna cess. | Percentage of column 3 to column 2. | Incidence of one-anna cess per head of Population. |
|---|---|---|---|---|
| | Rs. a. p. | Rs. a. p. | Rs. a. p. | Rs. a. p. |
| 1895-96 ... ... ... | 14,87,340 9 1 | 8,26,965 5 0 | 55 9 7 | 0 2 2 |
| 1894-95 ... ... ... | 14,55,777 8 4 | 8,17,442 8 10 | 55 12 9 | 0 2 1 |

The receipts have increased in all the districts of the Division except Násik, where they have slightly decreased. The increase is due chiefly to increased land revenue and to some extent to the realizations of arrears of the cess on account of previous years.

11. *XII—Interest.*—The receipts under this head are on account of interest on Government securities belonging to dispensaries and amount to Rs. 146-10-2 in the year under report against Rs. 194-15-8 in the previous year. The decrease of Rs. 48-5-6 is due to reduced rates of interest on loans. Of the total amount of Rs. 146-10-2, Rs. 76-13-0 belong to the Násik District and Rs. 69-13-2 to Sholápur.

12. *XVII—Police.*—The income under this head represents receipts under the Cattle Pounds Act and amounted to Rs. 1,14,537-1-11 as compared with Rs. 1,16,980-5-7 in the previous year showing a net decrease of Rs. 2,443-3-8. The decrease is noticeable in the districts of Poona, Sátára and Sholápur. In the first two districts it was due to fewer impoundings of cattle and in Sholápur to larger expenditure on the construction and repair of cattle pounds resulting in the reduction of the net receipts.

13. *XIX—Education.*—The income under this head rose from Rs. 46,917-8-8 in the previous year to Rs. 48,057-5-2 in the current year showing an increase of Rs. 1,139-12-6. The increase has occurred in the districts of Ahmednagar, Násik and Poona. The total receipts are made up as follows :—

| | Rs. a. p. |
|---|---|
| (1) School fees ... ... ... ... | 42,046 3 9 |
| (2) Contributions ... ... ... ... | 4,913 14 1 |
| (3) Miscellaneous ... ... ... ... | 1,097 3 4 |
| Total ... | 48,057 5 2 |

The increase is principally due to larger amounts of popular contributions for school buildings.

The amount entered under the minor head "Miscellaneous" comprises the following items :—

| | Rs. a. p. |
|---|---|
| (1) Sale-proceeds of old and surplus materials for school buildings ... ... ... ... | 264 0 0 |
| (2) Sale-proceeds of unserviceable school furniture and dead-stock articles ... ... ... | 232 2 1 |
| (3) Sale-proceeds of grass and branches and fruit of trees in school compounds ... ... ... | 119 10 6 |

| | Rs. | a. | p. |
|---|---|---|---|
| (4) Sale proceeds of empty boxes ... ... | 3 | 1 | 6 |
| (5) Do. of waste paper ... ... | 68 | 12 | 3 |

| (9) Refund of subsistence allowance paid from Courts to teachers and others appearing as witnesses ... | 91 | 4 | 6 |
| (10) Recovery of over-payments of pay, house-rent and contingencies ... ... ... | 61 | 8 | 10 |
| (11) Do. of excess payments for repairs to school-houses ... ... ... | 49 | 0 | 0 |
| (12) Do. of prize money ... ... ... | 0 | 2 | 0 |
| (13) Middle and Special School scholarship examination fees ... ... ... ... | 19 | 0 | 0 |
| Total ... | 995 | 7 | 6 |

14. *XX—Medical.*—The total receipts amounted to Rs. 6,258-11-5 against Rs. 10,894-5-8 in the previous year, showing a decrease of Rs. 4,635-10-3. A large falling off in the receipts under Hospitals and Dispensaries in the districts of Ahmednagar and Khándesh and a considerable diminution in contributions in Sátára have mainly contributed to the decrease. The receipts are made up of

| | Rs. | a. | p. |
|---|---|---|---|
| (1) Hospital and Dispensary Receipts ... ... | 4,268 | 9 | 4 |
| (2) Contributions ... ... ... ... | 1,913 | 0 | 0 |
| (3) Other Receipts ... ... ... ... | 77 | 2 | 1 |
| Total ... | 6,258 | 11 | 5 |

The amount of Rs. 77-2-1 entered under the sub-head "Other Receipts" under Miscellaneous against Khándesh and Násik comprises the following items:—

| | Rs. | a. | p. |
|---|---|---|---|
| (1) Value of articles lost ... ... ... | 6 | 9 | 8 |

| (7) Refund of batta paid to vaccinators who attended Courts as witnesses ... ... ... | 1 | 8 | 0 |
| Total ... | 77 | 2 | 1 |

15. *XXI.—Scientific and other Minor Departments.*—The receipts appear against Khándesh, Násik and Poona and amount to Rs. 3,794-7-5 against Rs. 3,745-1-3 in the previous year showing an increase of Rs. 49-6-2, which calls for no remark. The receipts are made up as shown below:—

| | Rs. | a. | p. |
|---|---|---|---|
| (1) Veterinary receipts in Poona and Khándesh ... | 1,584 | 4 | 0 |
| (2) The balance of Itinerating Veterinary Dispensary Fund, Násik, transferred to Local Boards during the year under report ... ... ... | 1,283 | 1 | 11 |

| | Total ... | | | | 2,819 | 0 | 11 |

The increase of Rs. 169-15-3 is incapable of explanation as the items are numerous and of fluctuating nature.

17. *XXXII—Civil Works.*—The receipts have fallen from Rs. 2,02,021-15-3 to Rs. 1,93,207-15-7. The decrease of Rs. 8,813-15-8 is chiefly made up of decreases under tolls and contributions. The total receipts comprise the following items :—

| | | Rs. | a. | p. |
|---|---|---|---|---|
| (1) | Tolls on ferries and roads ... ... ... | 1,75,651 | 6 | 2 |
| (2) | Rent on buildings and lands ... ... | 208 | 8 | 0 |

The amount appearing under the sub-head Miscellaneous is made up of the following items :—

| Total ... | 1,207 | 4 | 1 |

18. *Contributions.*—The receipts amounted to Rs. 2,80,866-1-6 against Rs. 2,51,403-2-1. The receipts have increased in all the districts of the Division except Sátára, where they have decreased. The increase has chiefly occurred owing to larger grants made by Government towards the construction of school-buildings and water-supply, and also in consequence of a material rise in the revenue from sand and quarrying fees in the Sholápur District. The subjoined table gives the details of the Provincial contributions :—

| Districts. | Fees for permission to remove sand and to quarry. | Proceeds from fees, fines and penalties under Bombay Act VIII of 1866. | Fixed contributions in lieu of one-anna cess on excise revenue. | Government grant for village sanitation and water-supply. | Government grant for primary education. | Government grant for dispensaries. | Government grant towards the construction of school buildings. | Government contribution for vaccination establishment in the Dángs (Khándesh). | Madha Ghát Annachhatra Allowance. | Government grant towards the construction of roads or other public works. | Total. |

The decrease is noticeable more or less in all the districts of the Division and is principally due to the discontinuance of an allowance of Rs. 25 per mensem to the Head Accountant in Ahmednagar, and to the establishment charges not having been adjusted by the Accountant General during the year in Khándesh.

The increase appears in every district of the Division and is principally due to the revision of the salaries of teachers and other servants connected with primary schools.

35. The amount spent on the improvement of water-supply in the Division in the year under report was Rs. 1,07,039-5-0 against Rs. 1,02,431-5-11, inclusive of the sum of Rs. 5,000 annually paid by the Sátára District Board to the Local Municipality, showing an increase of Rs. 4,607-15-1. The expenditure shows an increase in Khándesh, Sátara and Násik and a decrease in the remaining three districts. The increase is principally due to the increase in Khándesh which is very considerable. The total expenditure is made up as follows:—

| | Rs. | a. | p. |
|---|---|---|---|
| (1) On account of the digging of a tank in the Khándesh District ... ... ... ... | 113 | 10 | 5 |
| (2) On account of 564 original works consisting principally of the sinking of wells ... ... | 75,645 | 1 | 9 |
| (3) On account of the repairs of 282 existing sources of water—principally wells ... ... ... | 31,280 | 8 | 10 |
| Total ... | 1,07,039 | 5 | 0 |

The expenditure incurred on the improvement of village site, &c., amounted to Rs. 2,475-4-3 against Rs. 1,589-14-9 showing an increase of Rs. 885-5-6. Ahmednagar, Násik and Sholápur have contributed to the increase. The total charge is made up as follows:—

| | Rs. | a. | p. |
|---|---|---|---|
| Amount spent on the improvement of the streets in the táluka town of Mádha, in Sholápur, where there is no Municipality ... ... ... ... | 201 | 7 | 0 |

| Total ... | 2,475 | 4 | 3 |

The items under the remaining two heads are trifling and call for no remark.

*Brief sketch of material progress (paragraph 15 of Government Resolution, General Department, No. 3179, dated 30th July 1895).*

36. What is apparently required by Government is an outline of the ultimate requirements of each district from the standpoint of the Local Board administration; how far these requirements have been met in the past; what special progress has been achieved during the year under report; and what programme the District Board has in contemplation for the future. The information supplied in the district reports is so defective and immethodical that I fear I shall not be able to do more than epitomize the facts and figures which have already been furnished in this report under the heading "Civil Works."

AHMEDNAGAR.

About 2·7 per cent. of the income was absorbed by Administration charges, about 33 per cent. by Education and about 4 per cent. by Medical. The expenditure on these heads, though absolutely essential, can hardly be said to be connected directly with material progress which, as far as figures go, can only be measured by noting the expenditure incurred under the head "Civil Buildings," "Communications" and "Water-supply."

Taking the totals under these heads and dividing them into "Original Works" and "Repairs" it seems that in the Ahmednagar District about 25·2 per cent. of the total income was spent on new works and about 34 per cent. on repairs. It thus appears that more than one-third of the income had to be appropriated towards the maintenance of the existing works leaving about one-fourth only of the receipts for expenditure on new works. Examining the details of the new works supplied by the Collector in his report, it appears that the works which may

really be regarded as indicating material improvement were (*a*) the construction of a portion of the Bodhegaon-Nevása road, (*b*) the improvement of the Khospuri-Ismálpur road, (*c*) the diversion of the Supa-Pimpalgaon-Depa road, (*d*) the building of 41 Dharmsháles in the different tálukas of the district, (*e*) the building of 5 school-houses, and (*f*) the construction of 43 wells.

KHA'NDESH.

Administration, Education and Medical absorbed about 1·7, 25·7 and 4·3 per cent. respectively. The original works cost about 57 per cent. and repairs about 24 per cent. of the income. A net work of roads connecting the táluka towns and chief trading centres is placed by the Collector in the fore-front of Local Board requirements; and from the list of works that have been executed during the year, it appears that the subject is engaging the attention of the Boards. The following important lines of communication were proceeded with during the year:—

(*a*) A road connecting Dhulia with Chopda *viá* Amalner.

(*b*) Continuation of the road between the Kajgaon Railway Station and Párola to Amalner.

(*c*) A line to connect the western part of the district with the eastern part *viá* Dhulia.

(*d*) A road from Yával to the Railway Station at Duskheda.

Next in importance to roads are village school-houses; and about 11 school-houses were constructed during the year. There are 340 Local Board schools of which only 159 have been provided with proper accommodation up to date. As regards dharmsháles the district is well provided for. Fifteen new dharmsháles were constructed during the year under report. In the matter of wells, the hilly parts to the west and north of the district require special attention. The subject has not been lost sight of; 54 wells were constructed in those parts in the course of the year.

NA'SIK.

Nearly 4·5 per cent. of the income was appropriated towards Administration, about 30 per cent. towards Education and a little over 7 per cent. towards Medical. One-fourth of the receipts was expended on original works and a similar sum on the maintenance of existing works. The following is a list of the important works, indicating material progress, which were executed during the year:—

(*a*) Dholbári-Shelbári road.

(*b*) Station road at Nándgaon.

(*c*) Nánáshighát-Barhe road.

(*d*) Harsul-Thána-Goldári and Ozar road.

(*e*) Ambegaon-Nánashi road.

(*f*) Dispensary at Chándor.

(*g*) School-houses at 5 different villages in the district.

(*h*) One dharmshála.

(*i*) One chávdi.

(*j*) 309 wells for drinking purposes.

POONA.

Nearly 2 per cent. of the income was required to meet charges on account of Administration, a little more than 31 per cent. was devoted to Education and a trifle over 4 per cent. went towards Medical. Nearly 32 per cent. of the income was absorbed by charges incurred in the maintenance and repair of existing works, leaving only 12 per cent. for expenditure on original works. The following works indicating material advancement were executed during the year:—

(*a*) A foot-bridge over the Kháprí Nála in táluka Mával. The nála was almost impassable in the rainy season.

(*b*) Four dharmshálas.

(*c*) Five wells for drinking purposes.

SA'TA'RA.

The expenditure on account of Administration was 3·24 per cent., that on account of Education was 32·4 per cent., and that on account of Medical was a little over 4 per cent. The cost of original works was 25 per cent. of the income, while repairs absorbed as much as 31·5 per cent. No important road was constructed but money was spent on making small local roads. A fairly large amount was spent on water-supply and the number of wells constructed during the year was 84. Accommodation for school boys and travellers also engaged attention; and 10 school-houses and 15 chávdis were constructed.

SHOLA'PUR.

Nearly 3 per cent. of the income was devoted to Administration, about 33 per cent. towards Education, and a little over 4 per cent. towards Medical. Repairs absorbed nearly 31 per cent. of the income; and only about 16 per cent. was available for expenditure on original works. The only important works indicating material advancement that were executed during the year were 3 school-houses, 8 dharmshálas, 5 chávdis, and 16 wells for drinking purposes.

37. As required by Government Resolution No. 779, dated 30th January 1890, I append notes in original, received from the Executive Engineers, showing the original cost, the mileage and the present condition of the Local Fund roads in their respective charges.

38. The only thing I would wish to add is that I think a register should be prepared of all works and buildings at present under the charge of Local Funds. When Local Funds were constituted in 1869, a certain number of works was handed over to them, and a very large number has since been constructed but as far as I am aware no list or register of such works is kept nor is any report made showing that they are annually inspected to see that they are properly maintained. In the Public Works Department there is, I believe, a most careful system of registry and annual inspection and maintenance and it is obvious that the same care is necessary with regard to Local Fund works and buildings. I am very much opposed to the multiplication of unnecessary returns but I fear that an inspection now would show that many works carried out in former years have either disappeared or been allowed to fall into great disrepair. I think therefore an effort should be made to see what works and buildings ought to exist and how many actually do exist and the inspection and repair of the latter should be carefully carried out annually and the register kept up to date.

I have the honour to be,

Sir,

Your most obedient Servant,

J. K. SPENCE,

Commissioner, C. D

No. 4068 of 1896.

From

E. J. EBDEN, Esquire, I.C.S.,
Acting Commissioner, S. D.;

To

The SECRETARY to GOVERNMENT,
General Department, Bombay.

*Belgaum, 11th September 1896.*

Sir,

I have the honour to submit the Annual Report on the working of the Local Boards in the Southern Division for the year 1895-96 and to append the prescribed statements as per *margin.

*I. Statement showing the constitution of the Local Boards.
II. Do. the income of do.
III. Do. the expenditure of do.
IV. Do. the details of works for the improvement of sanitation.

Statement I.

2. The number of Local Boards, *i.e.* 56, continues to be the same as in 1894-95. The area and population given again represent the Census figures of 1891. The total number of members serving on the Local Boards is also unaltered, namely 898. Of these, 211 were official and 687 non-official as against 214 and 684 respectively in the preceding year.

3. The number of meetings held by the several Boards shows an aggregate decrease of 28 as compared with the number held in 1894-95. All the District Boards complied with the provisions of the rule regarding the holding of half-yearly meetings. Of the 352 meetings in the year under report, 18 were held by the District Boards, and the remainder by the Táluka Boards. The average attendance at the District Local Board meetings is given in the subjoined statement:—

| District Board. | 1895-96. | | 1894-95. | |
|---|---|---|---|---|
| | Total number of members. | Average attendance. | Total number of members. | Average attendance. |
| Belgaum ... ... ... | 19 | 13·0 | 19 | 13·5 |
| Bijápur ... ... ... | 21 | 11·75 | 19 | 8·4 |
| Dhárwár ... ... ... | 31 | 23·0 | 31 | 13·5 |
| Kánara... ... ... ... | 17 | 9·0 | 17 | 11·0 |
| Kolába ... ... ... ... | 17 | 9·3 | 17 | 10·5 |
| Ratnágiri ... ... ... | 21 | 9·4 | 21 | 10·0 |

Dhárwár, with an average attendance of 74 per cent. of the number of members, stands first. Bijápur also shows an improvement over the past year, but in all other districts the attendance has fallen off. The average attendance at Táluka Local Board meetings was good except in the case of the Táluka Local Board of Kumta, where it was below one-third of the strength of the Board.

4. The subjoined table gives for the Division as well as for each district the average attendance of official and non-official members separately for 1895-96 and 1894-95 :—

| District. | Average attendance for 1895-96. | | Average attendance for 1894-95. | |
|---|---|---|---|---|
| | Official. | Non-official. | Official. | Non-official. |
| Belgaum ... ... ... | 2·7 | 5·06 | 3·14 | 5·73 |
| Bijápur ... ... ... | 2·3 | 5·8 | 2·06 | 5·38 |
| Dhárwár ... ... ... | 2·35 | 7·34 | 2·05 | 6·03 |
| Kánara ... ... ... | 1·4 | 4·08 | 2·03 | 4·87 |
| Kolába... ... ... ... | 1·73 | 7·3 | 1·74 | 7·10 |
| Ratnágiri ... ... ... | 1·1 | 5·7 | 1·2 | 6·04 |
| Southern Division ... ... ... | 1·85 | 5·90 | 1·97 | 5·74 |

Looking at the results for the Division as a whole, there has been a slight improvement in the attendance of non-official members.

STATEMENT II.

5. The year opened with a divisional balance of Rs. 6,05,728. The subjoined table contrasts the receipts of the year under report with those of the preceding year under the several heads of income. There is a net increase of Rs. 80,499-11-3, which is mainly due to Rs. 60,000 having been drawn during the year by the Dhárwár District Local Board as the second instalment of the loan granted by Government in their Resolution (Financial Department), No. 1043, dated the 26th March 1895 :—

| | | Net increase ... | 80,499 11 3 | |

The causes of increase and decrease under the several heads are given below:—

*I—Land Revenue.*—The income under this head consists of the sale-proceeds of trees, grass, &c. The greater portion of the increase of Rs. 423-9-10 occurred in the Dhárwár District.

*VI—Provincial Rates.*—The income under this head, which constitutes the principal source of revenue, is derived from the one-anna cess levied under the Bombay Local Funds Act and fluctuates with the land revenue. The decrease under this head is trifling and calls for no explanation.

*XII—Interest.*—The increase under this head is only nominal, the interest on the amount of the Dispensary Fund at Chikodi in the Belgaum District, which is invested in Government Promissory Notes, having been credited this year to this head instead of to XX—Medical as in the previous year.

*XVII—Police.*—The total receipts under this head amounted to Rs. 19,846-5-3 against Rs. 20,195-5-10 in 1894-95, showing a net decrease of

Rs. 349-0-7, which is due to a smaller number of cattle impounded during the year under report.

*XIX—Education.*—The income under this head rose from Rs. 69,451-9-4 to Rs. 73,221-8-3. The increase chiefly occurs in the amount of school fees and is ascribed to the increased number of pupils attending primary schools. The total receipts are made up of—

Rs. 80-12-0 on account of fees from boys attending the drawing class in the Ratnágiri School of Industry. Rs. 242 on account of fees from boys attending Local Boards' Secondary Schools in the Belgaum, Dhárwár and Kánara districts.

Rs. 65,851-3-3 on account of fees from children attending Local Boards' Primary Schools against Rs. 61,332-3-6 in 1894-95.

Rs. 284-4-0 contributed by private persons in the Dhárwár, Kolába and the Ratnágiri districts for the purchase of furniture, &c., for Primary Schools.

Rs. 6,763-5-0 derived chiefly from the sale-proceeds of articles of furniture prepared in the workshop branch of the Ratnágiri School of Industry.

*XX—Medical.*—The total receipts under this head amounted to Rs. 7,725-14-6, and show a falling off of Rs. 6,525-1-0 when compared with the preceding year. The decrease has occurred in all the districts except Bijápur. In Belgaum (Rs. 1,456-9-4) it is due partly to the transfer of the veterinary receipts from this head to "Scientific and other Minor Departments" and partly to the employment of Hospital Assistants on smaller pay and to economy in expenditure on stores and medicines; in Dhárwár to the non-adjustment in the accounts of 1895-96 of Rs. 1,450 on account of the Veterinary Dispensary at Dhárwár and the Háveri Dispensary; and in Kánara to the transfer to the head "Contributions", as shown by the Accountant General, of the Government grant (Rs. 1,900) to Local Board dispensaries and grants (Rs. 2,656) made by the District Local Board to dispensaries which were last year entered erroneously under this head.

*XXI—Scientific and other Minor Departments.*—The increase (Rs. 815-1-5) is due to the transfer to this head for the first time of the receipts on account of the Veterinary Dispensary at Belgaum, which were previously shown under "Medical."

*XXV—Miscellaneous.*—There is an increase under this head of Rs. 689-2-11, which calls for no explanation as the amount is made up of occasional and fluctuating minor items.

*XXXII—Civil Works.*—The aggregate increase under "Civil Works" amounted to Rs. 911-10-4, which has principally occurred under the sub-head "Tolls on Ferries and Roads." The total revenue of Rs. 1,37,165-11-3 from Civil Works in charge of Civil Officers was composed of the following items:—

(1) Rs. 1,10,032-0-5—Derived from tolls on ferries and roads.
(2) „ 470-15-0—On account of rent of Local Board buildings and lands.
(3) „ 491-11-9—Derived from the sale of stores and materials.
(4) „ 22-1-0—Miscellaneous.
(5) „ 26,148-15-1—Contributed by private persons and Municipalities as detailed in the subjoined table:—

*Contributions.*—The receipts under this head amounted to Rs. 3,13,683-6-8 as against Rs. 2,69,146-7-7, showing an increase of Rs. 44,536-15-1. The provincial grants, which form the chief portion of the receipts, amounted to Rs. 2,99,723-2-3, the details of which are given in the subjoined table :—

| District. | Fees for permission to remove sand or to quarry. | Proceeds from fees, fines and penalties under Bombay Act VIII of 1866. | Fixed contribution in lieu of one-anna cess on excise revenue. | Government grant for village sanitation and water-supply. | Government grant for primary education. | Government grant for special instruction. | Government grant towards the construction of school buildings. | Government grant towards the construction of roads and other public works. | Total. |

* This includes Rs. 850 granted to the Local Board Dispensary at Dápoli.
a For the School of Industry, Ratnágiri.

*Debt.*—The increase under this head is accounted for by the fact that Rs. 60,000 were drawn during the year by the Dhárwár District Local Board as a second instalment of the loan granted by Government in their Resolution No. 1043 (Financial Department), dated the 26th March 1895.

The incidence of taxation and that of income per head of population for the Division were two annas and one pie and four annas and two pies respectively against two annas and two pies and three annas and ten pies in the preceding year.

## Statement III.

6. The expenditure of the Boards for the year amounted to Rs. 11,43,439-10-2 as against Rs. 11,77,816-1-1, showing a decrease of Rs. 34,376-6-11. The following table shows the expenditure incurred in the Division under the various heads :—

*18—Administration.*—The expenditure under this head amounted to Rs. 38,432-10-3 as detailed below :—

(*a*) Rs. 14,308-13-0 and Rs. 5,007-12-1 respectively were expended by the several Boards on the salaries of establishments and on office

contingencies as compared with Rs. 15,317-10-5 and Rs. 4,938-10-3 in the preceding year.

(*b*) Rs. 19,116-1-2 were spent during the year against Rs. 19,615-13-3 in 1894-95 on establishment in Government offices of control, *viz.*, in the offices of the Collectors, Educational Inspector and the Commissioner, S. D. These items include fees payable for the audit of Local Fund Accounts in the office of the Accountant General.

The net decrease of Rs. 1,439-7-8 under the head of "Administration" has mainly occurred in the Ratnágiri District and is ascribed to the reduction of the clerical establishment of the Táluka Local Boards.

*22—Education.*—The total expenditure under this head amounted to Rs. 4,43,702-1-10 as contrasted with Rs. 4,29,661-3-10 for the previous year. The details of the former item are as follows :—

(*a*) Rs. 6,746-2-2 were expended on the management of the Ratnágiri School of Industry and represents the pay, pension contribution, &c., of the Superintendent and the permanent establishment of artizans, clerks and masters. The decrease of Rs. 4,713-9-0, as compared with the previous year, is due to the deputation during the year of the permanent Superintendent, Mr. Lewis, to act as Senior Inspector of Steam Boilers and Prime-movers in Bombay, and the consequent appointment in his stead of Mr. K. G. Shetye on a much lower salary.

(*b*) Rs. 206-0-0 were spent on the maintenance of a Secondary School in the Dhárwár District.

(*c*) Rs. 3,74,115-4-1 were expended on the pay of teachers, servants, &c., in the Local Boards' Primary Schools during the year under report as against Rs. 3,70,862-3-2 last year, showing an increase of Rs. 3,253-0-11 which was incurred in all the districts, except Kánara and Kolába, and seems to be the result of enhancement of the salaries of teachers. The number of Primary and Secondary Schools maintained by the Local Boards during the year 1895-96 as well as in the preceding year is given in the following statement :—

| District. | During 1895-96. | | | During 1894-95. | | |

| Total ... | 1,191 | 4 | 1,195 | 1,194 | 4 | 1,198 |

It will appear from the above that five schools were closed and only two newly opened during the year.

(*d*) The expenditure on Grants towards primary education rose from Rs. 17,093-14-4 to Rs. 22,748-1-11, showing an increase of Rs. 5,654-3-7.

**N. B.*—Last year three Primary Schools for girls were omitted through oversight by the Collector of Kánara.

(*e*) The expenditure on scholarships awarded to students attending training colleges, special schools, and middle and primary schools rose from Rs. 6,084-13-7 to Rs. 11,071-2-2, the increase being chiefly due to sums on account of "Scholarships" in Dhárwár and Bijápur which used to be erroneously shown under "Contributions to Provincial" having been, under instructions from the Accountant General, transferred to this head during the year under report.

(*f*) The expenditure under the sub-head "Miscellaneous" shows an increase of Rs. 4,198-8-5, which is chiefly due to larger sums having been spent on the purchase of materials for the Ratnágiri School of Industry. The expenditure includes charges on account of rent of school-houses, purchase of furniture, books, &c., contingent charges connected with Local Board schools, cost of prizes awarded to successful students at annual examinations and other items of a fluctuating nature.

(*g*) "Refunds" amounted to Rs. 670-0-6 as against Rs. 9-8-0 last year. They were on account of popular contributions received for school-houses, and also on account of excess Government grant paid for the school-houses at Murud and Guhágar in the Ratnágiri District.

*24—Medical.*—The total expenditure under this head amounted to Rs. 56,257-9-0, the corresponding figures for the preceding year being Rs. 51,747-13-2. The details in respect of the former item are as under :—

(*c*) For miscellaneous public improvements an outlay of Rs. 1,262-13-11 on original works and Rs. 746-8-10 on repairs was incurred as contrasted with Rs. 1,540-7-6 and Rs. 749-5-1 in 1894-95, the chief items of improvements being construction of and repairs to piers and dams, removal of prickly pear, repairs to ferry boats, &c.

(*d*) Rs. 19,792-9-1 were spent on the salaries and travelling allowances of overseers, maistrees, &c., entertained by the Boards for the execution of works; and Rs. 27,846-9-11 were paid by the Boards to the Public Works Department on account of establishment charges as against Rs. 15,822-15-7 and Rs. 27,674-2-0 respectively during the previous year.

(*e*) The tools and plant purchased for the use of the Local Boards Establishments and the Government Public Works Establishments cost Rs. 1,701-7-0 and Rs. 2,605-5-8 respectively against Rs. 1,920-14-9 and Rs. 3,653-6-0 in the preceding year.

(*f*) The expenditure on works connected with the water-supply declined from Rs. 1,38,767-14-9 to Rs. 95,965-7-8. Full particulars of the works carried out by the several Boards will be found in Statement No. IV.

(*g*) The charges on account of planting and preserving road-side trees were incurred in all the districts except Belgaum, and amounted to Rs. 5,540-3-8 against Rs. 7,299-10-8 in the last year.

*Contributions* "to Provincial" and those "to other Boards" amounted to Rs. 6,719-3-9 and Rs. 12,003-3-1 against Rs. 10,731-13-9 and Rs. 11,177-6-1 respectively in the preceding year. The details in respect of the Provincial contributions are given in the sub-joined table:—

*Debt and Interest on Debt.*—Of the aggregate amount of Rs. 7,437-8-5 shown under "Debt," Rs. 3,003-14-6 were paid by the Bijápur District Local Board in liquidation of the loan of Rs. 50,000 granted by Government to that Board to meet expenditure in the famine of 1876-77 on the Begam Tank at Bijápur and Rs. 4,283-9-11 by the Ratnágiri District Local Board in repayment of the loan made to them by Government for the construction of the Ambághát and subsidiary roads. Detailed information as to the amounts still due to Government by those Boards is being called for from the Collectors concerned. The

total amount appearing under the head "Interest" is Rs. 4,042-11-2. Of this Rs. 813-13-2 and Rs. 1,824-12-1 were paid by the Bijápur and the Ratnágiri District Local Boards respectively on account of the loans referred to above and Rs. 1,404-1-11 were paid by the Dhárwár District Local Board on account of the loan taken by that body as per Government Resolution No. 1043, dated 26th March 1895, Financial Department.

*Balances.*—The total balances exclusive of the amounts of permanent advances to the credit of the several Boards in the Division, amounted to Rs. 6,97,717-6-1 against Rs. 6,05,728-0-0 in the preceding year.

The subjoined statement gives the details regarding the income and closing balance of each district for the last two years:—

| District. | Income. | | Balance. | | Minimum balance as per Government Resolution No. 107, dated 8th January 1890. |

It will appear that in all the districts the balances kept are much in excess of the limit prescribed in Government Resolution No. 107, dated the 8th January 1896. In no case is a satisfactory explanation forthcoming and more stringent orders are being issued to Collectors calling upon them to pay personal attention to this matter. They will also be required to submit to me a report on the 10th of February each year, showing what balance they expect to remain unutilized on the 31st of March following, so that the necessary orders may be issued before the year expires.

The Ratnágiri District Board has proposed, however, to repay Rs. 20,000 in liquidation of the Ambághát loan in addition to the usual instalments (*vide* Government Resolution No. 1288, dated 1st April 1896); while the District Local Board of Dhárwár, which has taken up only Rs. 80,000 out of the three lákhs loan sanctioned in Government Resolution No. 1043, dated the 26th March 1895, is not going to borrow any further sum and intends utilizing in its stead the excess balance to its credit.

7. The following table shows the proportion of their respective expenditure which the several Boards in each district contributed during the year under report to Educational and Medical objects and to Public Works:—

The table given above will show that, as in the preceding year, the highest percentage on education occurred in Ratnágiri on medical objects in Kánara and on the construction of Public Works in Bijápur.

## Statement IV.

8. The following table gives a comparative statement of the expenditure incurred under the principal heads of village sanitation during the year under report and its predecessor :—

| Year. | Improvement of water-supply. | Improvement of village sites, &c., including removal of rank vegetation. | Conservancy of towns and villages. | Other objects calculated to promote the safety, health comfort and convenience of rural population. | Total expenditure on sanitary objects. |

| 1894-95 ... ... | 1,38,815 14 9 | 2,401 0 10 | 756 8 1 | ..... | 1,41,973 7 8 |
| Increase or decrease ... | — 45,828 7 1 | — 185 11 9 | — 36 12 3 | + 28 6 6 | — 46,022 8 7 |

* This includes Rs. 48, being the pay of a watchman employed on a water-work in the Kolába District, and is exclusive of Rs. 3,026 on account of water-works repairs in the Bijápur District (see remark in Statement No. IV against Bijápur).

9. The details of expenditure on new works of water-supply are given below :—

| District. | Number of new tanks dug. | Expenditure. | Number of new wells sunk. | Expenditure. | Total number of new works. | Total Expenditure. |
|---|---|---|---|---|---|---|
| | | Rs. a. p. | | Rs. a. p. | | Rs. a. p. |
| Belgaum ... ... ... | 5 | 142 0 11 | 45 | 20,176 9 6 | 50 | 20,318 10 5 |
| Bijápur ... ... ... | ... | ..... | 71 | 22,719 0 1 | 71 | 22,719 0 1 |
| Dhárwár ... ... ... | 1 | 888 9 3 | 22 | 10,798 11 2 | 23 | 11,687 4 5 |
| Kánara ... ... ... | 2 | 196 15 5 | 8 | 1,380 0 0 | 10 | 1,576 15 5 |
| Kolába ... ... ... | .. | ..... | 28 | 6,472 14 8 | 28 | 6,472 14 8 |
| Ratnágiri ... ... ... | 12 | 1,542 1 7 | 28 | 3,536 14 2 | 40 | 5,078 15 9 |
| Total ... | 20 | 2,769 11 2 | 202 | 65,084 1 7 | 222 | 67,853 12 9 |

Besides the expenditure shown above, Rs. 25,085-10-11 were devoted by the several Boards to the improvement of existing sources of water-supply. Of the six districts in this Division, Ratnágiri, Kánara and Kolába have a comparatively good supply of potable water. Above the ghâts the district of Bijápur is in this respect the worst off, especially in a year of scanty rainfall. During the year under report four wells were excavated in that district at a cost of Rs. 3,698, but had to be abandoned as water was not found. With reference to this,

Mr. Panse suggests that either a geological survey of the district should be made or that two experts in geology may be appointed to point out where water can be found. I am under the impression that a geological survey of the district has been made long ago, and that the appointment of two experts of the Geological Department to indicate the spots where wells may be sunk is too extravagant a notion to be entertained even by a Division. But seeing what a large sum is annually thrown away uselessly, it might be advisable for the Board to consider the propriety of obtaining a boring apparatus for the purpose of sinking trial shafts in cases of doubt.

During the year under report a sum of Rs. 24,695 was allotted to this Division from Provincial Funds for the improvement of water-supply which was fully utilized by the several Boards.

Progress in material improvements as shown by new works executed by Local Boards.

10. Compared with the preceding year, there is not much to record this year concerning progress in material improvement. More money was, no doubt, expended on educational and medical objects, but as regards Public Works the outlay incurred was less than in the preceding year in all the districts except Ratnágiri. The leading particulars concerning different heads are given below :—

*Communications.*—In the Belgaum District a sum of Rs. 30,760 or more than half of the total outlay incurred on original works was expended on new roads. The short railway feeder-road from Kudchi on West Deccan Railway to Terdal in the Sángli State was under construction during the year, and is expected to be completed next year. In the Bijápur District four important roads, *viz.* Sindgi-Bijápur, Bijápur-Bágevádi, Almel-Pandharpur and Bágevádi-Telgi were improved at an aggregate expense of Rs. 34,311. As regards communications in the Dhárwár District, in addition to improving petty roads a new road from Karajgi to the Railway Station was constructed at the cost of Rs. 6,427. In the district of Kánara Rs. 4,659 were spent on original communications, such as special repairs to important roads, culverts on district and village roads, re-construction of bridges and the like. The Collector of Kánara states that the funds at the disposal of the District Local Board being very limited, the Forest Department which pays no cess on its revenue should be required to contribute to the Board a grant of Rs. 25,000 or Rs. 30,000 to enable the roads to be kept in proper condition. An important work under the head of communications in the Kolába District was the continuation of the construction of the Pen-Panvel road. Besides this, three other roads were constructed to facilitate communication with the Janjira State, and a survey of the important road between the Kolába District and the Deccan *viâ* Pimprighát was made. No road of importance was undertaken in the Ratnágiri District, where the expenditure incurred on original works was on account of the construction of petty roads and bridges, culverts and drains. Maintenance of existing roads seems to have been attended to in all the districts.

*Water-supply, Improvement of Village sites, &c.*—Attention was paid in all the districts to the improvement of water-supply. 20 new tanks were dug, 202 wells were sunk and 377 existing sources of water were either repaired or improved. For details a reference is solicited to Statement No. IV. Improvement of village sites received attention in six villages, and removal of prickly-pear and rank vegetation in 8 villages at a cost respectively of Rs. 1,037 and Rs. 1,178. A fair amount was spent on conservancy in the towns of Supa, Yellápur, Siddápur, Bilgi and Ankola in the Kánara District, where there are no municipalities. In the Bijápur District there are 32 sanitary committees, some of which are reported to have carried out excellent improvements.

*School and other Buildings.*—The number of school and other buildings such as Chávdis, Dharamshálas and Bungalows constructed during the year was 19 and 33, as against 35 under either head in the preceding year. Repairs to existing buildings were also duly made.

*Medical Objects.*—During the year under report a Veterinary Dispensary was opened at Dhárwár and an ordinary dispensary at Bhatkal in the Kánara District. Dispensaries are proposed to be established at Kalghatgi in the Dhárwár District and Bádámi in the Bijápur District.

11. The remarks recorded by the several Collectors as regards the working of the Boards in their respective districts are as follows:—

As regards Belgaum Boards, the Collector, Mr. Woodward, states that the attendance at general meetings was good, but he complains of want of interest on the part of the members of the Managing Committees as illustrated in the fact that at none of the 22 meetings convened of the Managing Committee of the District Board did a sufficient number of members attend to form a quorum. He observes that as usual the chief burden and responsibility of properly administering the Local Funds devolved on the official members, though in a few exceptional cases non-official members displayed energy and public spirit. Of the Bijápur Board, Mr. Panse speaks very favourably. The Collector of Dhárwár also expresses the opinion that the administration of the Local Boards in his district is satisfactory. The Collector of Kánara mentions prominently the names of Ráo Sáheb Narayanrao Udiawar and Messrs. Bappaya Pai and Shivram Subrao as taking much interest in Local Board work. The Collector of Kolába is silent as to the quality of the Local Board work done in his district. The work of the Ratnágiri Táluka Boards was not, in the opinion of Mr. Drew, done well. He states that, except at Vengurla and Chiplún, the Vice-Presidents are all non-officials—mostly Vakils, and though they attend meetings regularly enough, they cannot be expected to go far from their head-quarters for practical supervision. He finds a tendency on the part of the Vice-Presidents to monopolize all power in their own hands and for the Chairman of the Works Committees to be mere nonentities. He specially mentions Mr. Anant Yeshwant Prabhu Desai, Vice-President of the Táluka Local Board of Rájápur, for the good work done by him. The members of the District Board are stated to have done their work better, but as pointed out by the Collector, it is entirely confined to deliberation, the execution of works being entrusted either to the Executive Engineer or to the Táluka Local Boards.

12. On the whole the working of the Boards may be regarded as satisfactory, having been carried on without any friction and with perfect loyalty under the directive control of the Collectors and their Subordinates. Progress in local self-government cannot but be gradual, and during the year under report there occurred nothing to disappoint this expectation.

I have the honour to be,

Sir,

Your most obedient Servant,

E. J. EBDEN,

Acting Commissioner, S. D.

No. 1933 OF 1896.

GENERAL DEPARTMENT.

*Commissioner's Office, Karáchi,*
*27th August 1896.*

MEMORANDUM.

The Commissioner in Sind has the honour to submit the Annual Report on the Administration of the Local Boards in the Province of Sind for the year ending 31st March 1896, together with the statistical Tables Nos. I to IV compiled in his office.

2. The following table gives the dates of receipt of reports from the Collectors and Deputy Commissioners, and of their final replies to references made for further information or explanation :—

| District. | Date of receipt of | |
|---|---|---|
| | Report. | Final reply. |
| Karáchi ... ... ... | 27th June 1896 ... | 27th July 1896. |
| Hyderabad ... ... ... | 23rd „ „ ... | 24th „ „ |
| Shikárpur ... ... ... | 29th „ „ ... | 28th „ „ |
| Thar and Párkar ... ... | 23rd „ „ ... | 18th „ „ |
| Upper Sind Frontier... ... | 29th „ „ ... | 27th „ „ |

STATEMENT NO. I.—CONSTITUTION OF BOARDS AND MEMBERS.

3. No change was made in the number of Local Boards during the year under report; there are five District Boards and 46 Táluka Local Boards in the Province. The District Boards are presided over by the Collectors and Deputy Commissioners and the Táluka Boards by the Assistant or Deputy Collectors in charge of tálukas except the Táluka Boards of Jacobabad and Shahdádpur in the Upper Sind Frontier District, which are presided over by the Mukhtyárkars of the tálukas concerned.

4. The area and population under the authority of the Boards remained unchanged except in the Upper Sind Frontier District, where a further difference in the area of the district amounting to 90·44 square miles was discovered on the revision survey of the Kashmor Táluka in 1894-95.

5. The elective system remained in force in the districts of Karáchi, Hyderabad and Shikárpur, but in the Upper Sind Frontier and Thar and Párkar districts (except in the táluka of Mirpur Khás and certain villages transferred from the Hyderabad District under Government Notification No. 2062, published in the *Bombay Government Gazette* dated 22nd March 1894), the elective franchise has not been applied, and the Boards consist of nominated members only.

6. The number of nominated members remained the same as in the previous year. But owing to territorial changes the Mirpur Khás táluka has ceased to be represented on the District Board of Hyderabad. One member from the Shahdádpur Táluka Local Board has also been transferred to the Thar and Párkar District, and the number of elected members into Hyderabad District Local Board has consequently been reduced by 2.

7. The number of meetings held during the year was 390 against 405 in the previous year, showing a decrease of 15, which occurred chiefly in the Karáchi District, and, as explained by the Collector and President, is due to the fact that business was in several cases transacted by circulating papers among the members of the Board instead of convening meetings. As to the decrease of three in the number of meetings held in the Thar and Párkar District, the Deputy Commissioner says that a sufficient number of the meetings was held considering

the work to be done. The provisions of the law regarding the holding of half-yearly meetings were complied with by all the District Boards. The Táluka Boards held a sufficient number of meetings, and in Jacobabad and Shahdádpur in the Upper Sind Frontier District the comparatively small number of meetings is said to have been enough for the due carrying out of work to be done.

8. There is a slight falling off in the average attendance due to the decrease in the attendance in the Karáchi, Hyderabad and Shikárpur districts.

The average attendance for each district has been arrived at by multiplying the average attendance at each meeting by the number of meetings held and dividing the product by the aggregate number of meetings held. The average for the Province is found in the same manner.

9. *I—Land Revenue.*—The receipts under this head, which represent sale-proceeds of trees, grass, &c., in the Hyderabad, Shikárpur and Upper Sind Frontier districts, amounted to Rs. 2,747-13-5 against Rs. 3,409-14-10 in the previous year. The decrease of Rs. 662-1-5 is chiefly due to smaller sales of loppings of trees in the Shikárpur District.

10. *VI—Provincial Rates.*—The realizations under this head constitute the principal source of income of the Local Boards. They comprise the net proceeds of the one-anna cess levied under the Bombay Local Fund Acts of 1869 and 1884. They amounted to Rs. 5,28,042-5-9 as against Rs. 4,63,623-3-11 in the previous year showing an increase of Rs. 64,419-1-10. This increase is contributed by all the five districts and is entirely due to extensive rabi cultivation in the revenue year 1894-95, the revenue of which was collected in the financial year 1895-96.

11. *XII—Interest.*—The income under this head, which amounted to Rs. 1,805-0-2 as against Rs. 2,307-14-4 in the previous year, is derived from interest on dispensary securities and on the invested closing balances of certain defunct minor municipalities in the Thar and Párkar District abolished in 1878, made over to the Local Funds to defray expenditure on certain specified objects. The decrease of Rs. 502-14-2 as compared with the receipts for the previous year is chiefly due to the conversion of 4½ per cent. promissory notes into 3½ per cent.

12. *XVII—Police.*—The total receipts amounted to Rs. 31,083-4-10 as compared with Rs. 22,951-3-10 in the previous year, showing an increase of Rs. 8,132-1-0. The increase is contributed by all the districts. The largest increase occurs in Shikárpur, where it amounts to Rs. 2,933-9-2 and is stated to be due to scarcity of fodder, in consequence of which the number of stray animals impounded was larger than in the previous year. Next comes Karáchi with an increase of Rs. 1,660-3-3, which is reported to be due to the extensive rabi cultivation and the consequent increase of cattle trespasses. The increase of Rs. 797-9-5 in the Hyderabad District is due to the same cause. The increase of Rs. 1,642-1-11 in the Thar and Párkar District is chiefly due to the opening of a pound in the Makhi Dhand in connection with the measures taken for the suppression of outlawry in the Saughar Táluka of the district. Similarly the increase of Rs. 1,101-8-9 in the Upper Sind Frontier District is chiefly due to the opening of two new pounds in that district.

13. *XIX—Education.*—The receipts of Rs. 5,085-11-9 under this head are made up as follows :—

| | | Rs. | a. | p. |
|---|---|---|---|---|
| 1. | Fees received from students attending schools ... | 1,929 | 11 | 4 |
| 2. | Contributions ... ... ... ... | 800 | 0 | 0 |
| 3. | Sale-proceeds of books, furniture, &c. ... ... | 2,356 | 0 | 5 |
| | Total ... | 5,085 | 11 | 9 |

As compared with the previous year there is a decrease of Rs. 2,647-12-5. Items Nos. 1 and 3 show an increase of Rs. 254-4-1 and Rs. 1,147-15-6 respectively against a decrease of Rs. 4,050 under item "2 Contributions". Contributions received from certain Local and Municipal Boards of other districts towards the maintenance of certain educational institutions in Hyderabad have been transferred to the head "Contributions from other Boards" under instructions from the Accountant-General, Bombay, and this accounts for the decrease. The decrease is due partly to some of the Municipalities having discontinued their contributions towards the maintenance of the Female Training College at Hyderabad and partly to the transfer of the Agricultural School at Hyderabad to the Village Cess Fund, in consequence of which the District Board's contributions to the school ceased.

14. *XX—Medical.*—The total receipts as detailed below amounted to Rs. 12,199-14-10 and show an increase of Rs. 11,318-2-8 over the figures of the previous year (Rs. 881-12-2) :—

| | | Rs. | a. | p. |
|---|---|---|---|---|
| 1. | Hospitals and Dispensary receipts ... ... | 8,921 | 2 | 0 |
| 2. | Contributions ... ... ... ... | 3,177 | 0 | 0 |
| 3. | Miscellaneous other receipts ... ... ... | 101 | 12 | 10 |
| | Total ... | 12,199 | 14 | 10 |

15. All the districts contribute to the increase, the chief contributor, however, being Hyderabad, where a sum of Rs. 8,309-15-8 representing the balance of the defunct Municipality at Shahdádpur was added to the balance of the Dispensary there.

The next contributor towards the increase is the Karáchi District where the District Municipalities contributed an aggregate sum of Rs. 847 towards the cost of vaccination and the Karáchi Municipality paid a contribution of Rs. 1,500 towards the maintenance of the Veterinary Dispensary at Karáchi, no such contributions having been paid in the previous year.

The increases in the other districts are small and require no explanation.

16. *XXI.—Scientific and other minor Departments.*—The revenue under this head shows a falling off of Rs. 3,599-12-0, the total amount realized being Rs. 14,482-9-4 against Rs. 18,082-5-4 in the previous year. The decrease is chiefly attributable to the inclusion under this head during 1894-95 of the balances and receipts of the veterinary dispensaries transferred to Local Funds. The total receipts are made up thus :—

| | | Rs. | a. | p. |
|---|---|---|---|---|
| 1. | Botanical and other public gardens ... ... | 6,910 | 9 | 7 |
| 2. | Veterinary receipts ... ... ... | 850 | 2 | 8 |
| 3. | Receipts on account of experimental cultivation ... ... ... ... | 3,769 | 5 | 9 |
| 4. | Fairs and exhibitions ... ... | 2,952 | 7 | 4 |
| | Total ... | 14,482 | 9 | 4 |

17. As compared with the previous year the figures given above show an increase in every case excepting under "Veterinary receipts," the cause of which decrease is explained above. The increase in the other items is chiefly contributed by the Hyderabad District.

18. *XXV—Miscellaneous.*—The receipts under this head amounted to Rs. 5,675-1-8 as contrasted with Rs. 6,281-14-5 last year. They include fees

for staging bungalows and seráis, sale-proceeds of produce of land and of old stores and materials and produce of fruit trees, &c., all of them being items of fluctuating nature. As compared with the previous year there is a net decrease of Rs. 606-12-9. The decrease chiefly occurs in the Karáchi District and is due to smaller realizations from sale-proceeds of road-side trees.

19. *XXXII—Civil Works.*—The receipts rose from Rs. 68,562-4-7 to Rs. 77,586-12-1 as per details subjoined :—

| | | Net increase ... | 9,024 7 6 | |

20. The increase occurs chiefly under the head "Toll on ferries and roads" and is due to increase in the receipts from the Kotri-Gidu, Syedpur-Tanka and Sukkur-Rohri steam ferries, the largest increase, *viz.*, Rs. 3,187-15-1, being on account of the Sukkur-Rohri Ferry, the farm of which was sold for a larger amount, while the cost of its maintenance was reduced.

21. Subjoined are the details of the amount shown under "Contributions"—an item of a fluctuating nature :—

| | | Rs. a. p. |

| (1) | Paid by private individuals towards the sinking of wells. | 8,555 12 8 |

| | Total ... | 14,441 12 8 |

22. *Contributions.*—The receipts under this head amounted to Rs. 2,51,603-2-8 against Rs. 2,44,477-15-6 in the preceding year, thus showing an increase of Rs. 7,125-3-2. Of these, provincial contributions amounted to Rs. 2,47,383-2-8 against Rs. 2,41,027-15-6 in the previous year, as shown in the following table :—

26. *XVIII—Administration.*—The expenditure under this head amounted to Rs. 22,752-6-5. As compared with the previous year there was a decrease of Rs. 2,421-5-9, which occurred chiefly in the Hyderabad District and owing to less having been spent on contingent expenses in Local Fund offices.

27. *XX—Police.*—No expenditure was incurred under this head during the year under report or in the previous year.

28. *XXII—Education.*—The total expenditure under this head was Rs. 2,57,021-0-6 or Rs. 5,283-12-11 less than in the previous year. The decrease occurred chiefly in the Hyderabad District where, owing to want of funds the annual grant to the Nausháhro Technical Schools was curtailed. A subsidy of Rs. 2,500 was also sanctioned for the Hiranand Academy as a building grant last year, whereas no such expenditure was incurred during the current year.

29. There is also a decrease of Rs. 2,522-4-1 in the Upper Sind Frontier District, which is stated by the Deputy Commissioner to be due to highly paid teachers having been replaced by lower paid ones and to less expenditure having been incurred under grant to Indigenous Schools.

30. *XXIV—Medical.*—The expenditure under this head comprises the following items:—

| Items. | Karáchi. | Hyderabad. | Shikárpur. | Thar and Párkar. | Upper Sind Frontier. | Total. |
|---|---|---|---|---|---|---|
| | Rs. a. p. | Rs. a. p. | Rs. a. p. | Rs. a. p. | Rs. a. p. | Rs. a. p. |

31. As compared with the figures of the previous year there is a small net increase of Rs. 525-7-7, which is brought about by an aggregate increase of Rs. 6,937-7-10 in the Karáchi, Hyderabad and Thar and Párkar Districts against a total decrease of Rs. 6,412-0-3 in the Shikárpur and Upper Sind Frontier Districts.

32. The increase is chiefly due to the Thar and Párkar District where a new dispensary was opened at Saughar in May 1895, and additions and alterations were made to the existing dispensary at Mirpur-khás. In the year under report grants amounting to Rs. 1,372 were also sanctioned for the Sanitary Boards in the district against Rs. 90 only in the preceding year.

The decrease occurs chiefly in the Shikárpur District. It amounts to Rs. 6,217-7-2 and as explained by the Collector is chiefly due to the fact—

(1) that the figures of 1894-95 included a sum of Rs. 4,560 on account of grants to Local Board Dispensaries, and

(2) that the Local Board contribution towards the cost of vaccination for 1893-94, amounting to Rs. 3,341-1-8, was paid during the year 1894-95.

33. *XXVI—Scientific and other Minor Departments.*—The expenditure under this head rose from Rs. 40,858-3-4 to Rs. 45,132-10-10, thus showing a net increase of Rs. 4,274-7-6, of which the details are given below:—

| | Increase. | Decrease. |
|---|---|---|
| | Rs. a. p. | Rs. a. p. |
| Karáchi ... ... | ..... | 2,049 14 6 |
| Hyderabad ... | ..... | 84 13 11 |
| Shikárpur ... ... | 11,680 14 8 | ..... |
| Thar and Párkar ... | 484 15 7 | ..... |
| Upper Sind Frontier ... | ..... | 5,756 10 4 |
| Total ... | 12,165 14 3 | 7,891 6 9 |
| Net increase ... | 4,274 7 6 | |

34. The decrease in the Karáchi District is due to the Richmond Crawford Veterinary Dispensary having been treated as a separate Board during the year.

35. The increase in the Hyderabad District is very small and needs no explanation. The increase in the Shikárpur District is mainly due to the Horse Show having been held during the year under report at Shikárpur, and the same cause accounts entirely for the decrease in the Upper Sind Frontier District where a sum of Rs. 2-14-0 only was spent in 1895-96 against Rs. 5,694-5-2 in the preceding year when the show was held at Jacobabad. The increase in the Thar and Párkar District is chiefly due to scholarships and contingencies paid on account of the student attending the Veterinary College at Bombay, having, under instructions from the Accountant General, been shown under Veterinary Charges subordinate to 26—Major Head, instead of under Scholarships subordinate to "22—Education."

36. *XXX—Stationery and Printing.*—The expenditure under this head amounted to Rs. 1,933-13-1 against Rs. 1,644-12-2 in the preceding year.

37. The increase of Rs. 288-0-11 is mainly due to the purchase of a large quantity of stationery by the Táluka Board of Kotri-Mánjhand in the Karáchi District.

38. *XXXII—Miscellaneous.*—The expenditure on account of establishments for travellers' bungalows, &c., amounted to Rs. 4,322-2-9. As compared with the previous year the details are given in the subjoined table :—

| District. | 1895-96. | 1894-95. | Increase. | Decrease. |

39. The decrease occurred chiefly in the Shikárpur District and is due to reduction in establishment owing to the transfer of some of the staging bungalows to Provincial Funds.

40. The expenditure under other Petty Establishments amounted to Rs. 57,058-5-10, and, as contrasted with the figures of the preceding year, it shows a net increase of Rs. 3,859-2-7 as detailed below :—

| District. | 1895-96. | 1894-95. | Increase. | Decrease. |

41. The increase is shared by all the districts excepting Thar and Párkar which shows a small decrease of Rs. 166-3-6. The largest increase occurred in the Shikárpur District and is ascribed to the entertainment of additional mális to look after trees on roads and camping grounds in the district. The increase in the other three districts is also due to the same cause.

42. The expenditure under Miscellaneous and Unforeseen Charges amounted to Rs. 2,665-13-8, and is made up of the following items :—

47. On comparison with the figures for 1894-95 it will be observed that the total receipts during the year rose from Rs. 8,38,612-1-1 to Rs. 9,30,311-12-6, that the expenditure excepting in the Shikárpur District was more than covered by them, and that the closing balance, except in case of Shikárpur, has accordingly improved. The increase in expenditure in the Shikárpur District over receipts is chiefly due to larger outlay on works and repairs during the year under

report, the expenditure under this head having risen from Rs. 1,45,889-1-0 to Rs. 1,67,938-0-5. The closing balance of the district therefore stands at Rs. 16,643-2-9, less than what it was on 31st March 1895.

STATEMENT No. IV.

48. This statement shows details of the works undertaken for the improvement of village sanitation. The following table shows the total expenditure incurred under the different heads in each district of the Province:—

49. The total expenditure has risen from Rs. 37,767-12-6 to Rs. 49,864-4-1. The increase is almost entirely due to a larger sum having been spent on the improvement of the water-supply in villages. The increase is shared by the Karáchi, Shikárpur and Thar and Párkar districts, chiefly by Shikárpur, where the expenditure rose from Rs. 10,700-5-4 to Rs. 21,750-1-6. Of the total sum shown under improvement of water-supply, Rs. 27,951-4-8 were spent on original works such as wells, tanks, &c., and Rs. 16,101-11-6 on improvement to the existing sources of water-supply, besides a sum of Rs. 1,313-3-3, which was spent in the pay of watchmen employed to guard sources of drinking water-supply. The expenditure on the improvement of village sites also shows an increase of Rs. 743-11-7. This is due to a sum of Rs. 1,729-15-0 having been spent in the Shikárpur District, whereas in the preceding year no expenditure was at all incurred on this account.

50. It will be noticed in the table under paragraph 22 that the District Boards availed themselves in the year under report of a Government grant of Rs. 7,300 for the improvement of the water-supply against a sum of Rs. 2,468 only in the preceding year. It is hoped that the Government grant will be availed of during the current year to a greater extent.

51. There are no Local Fund roads in charge of Executive Engineers excepting a few roads which have been transferred to the charge of the Executive Engineer, Fuleli Division, in the Hyderabad District. Copies of the replies of the Superintending Engineers, Indus Right Bank and Indus Left Bank Divisions, Nos. 2462 and 2507, dated 30th July and 7th August 1896, respectively, as well as of the statement furnished by the Executive Engineer, Fuleli Division, are appended as required by Government in their Resolution No. 779 of the 30th January 1890.

52. The reports from the several Collectors and Presidents of District Local Boards in the Province are also appended.

53. The following resumé of the reports of the Collectors and Presidents of the District Local Boards in Sind, showing the progress made in material improvements and describing the more important works undertaken, is added in reference to the orders contained in paragraph 15 of Government Resolution No. 3179 of the 30th July 1895.

54. In the Karáchi District the most important of the original works carried out during the year was the Richmond Crawford Veterinary Dispensary, on

which Rs. 3,400-11-4 were spent, in addition to the sum of Rs. 8,186-6-3 spent during the previous year.

55. In Hyderabad a sum of Rs. 20,497-5-9 was spent on the Female Training College, Hyderabad. This college is now complete and in working order.

(2). A grant-in-aid dispensary has been established at Sháhdádpur under Government Resolution No. 602 of 13th July 1895. The total cost of the building has been estimated at Rs. 7,637, of which Rs. 5,771-15-10 have been spent in 1895-96.

(3). A well was constructed at Gidu at a cost of Rs. 1,137-6-3, and Rs. 3,363-12-9 were spent on the following works:—

| | Rs. | a. | p. |
|---|---|---|---|

(4). The sum of Rs. 3,122-15-9 was also spent in constructing a new road to the new railway station at Sháhdádpur.

56. In the Shikárpur District, (1) owing mainly to the very favourable inundation of 1894-95, there was a total increase of Rs. 21,166-8-8 in the revenue as compared with the previous year, and this enabled the Boards to carry out extensive repairs to buildings, roads and bridges.

(2). Seven new roads and 9 new bridges were constructed at a total cost of Rs. 31,547-8-4. Besides these a bridge was constructed by Public Works agency for the Táluka Local Board of Mirpur over the Deharwah at a cost of Rs. 2,434, of which Rs. 2,032-7-10 were paid during the year. The object of this bridge was to connect the road from Khairpur Daharki to Kotlo-Shahbazpur. It consists of 3 spans, each 7′, and is wholly of burnt bricks and lime with roadway 16′ wide supported on Whiting's needles.

(3). Four new school buildings were constructed and 37 existing ones were improved at a total cost of Rs. 7,067-6-5, of which a portion was contributed by Government.

(4). Great attention has been paid to the convenience of travellers, and the Local Board added during the year 6 new musáfarkhánas and 6 new camping grounds. The tree plantation was extensive, costing about Rs. 2,000 more than in the preceding year. The total annual cost in this district under this head varies from twenty to twenty-five thousand rupees. In Sind (especially Upper Sind), where the glare of the sun is great and there is little or no natural shade, it is necessary to plant trees in all camping grounds for the convenience of travellers. Avenues of trees have been planted along roads where possible, leading to many important villages, and considerable attention is paid to their maintenance and extension.

(5). One new dispensary was opened at Ubauro during the year under report at the cost of Local Funds. It is a grant-in-aid dispensary, and Government have sanctioned an annual contribution of Rs. 600. The nearest dispensary previously was at Ghoteki, a distance of over 30 miles. The new dispensary is, therefore, a great convenience.

(6). The improvement of the village water-supply is being carried on on a larger scale. The Local Boards constructed 38 wells during the year, of which 30 were provided with the aid of the liberal grant of Government. One new tank was dug by the Táluka Local Board of Kákar.

(7). The Local Boards have begun to realize the necessity of improving village sanitation. The village of Dokri, which had become overcrowded owing to the increase of population, was improved by an addition to the village site at a cost of Rs. 1,638-2-0. Other sites were also improved at a small cost. One new latrine was constructed at Ubauro, costing Rs. 218. A hollow at Rashid Wagan, a source of nuisance to the villagers, was filled up at a cost of Rs. 470, and a protective bund was provided at Rawati, which cost Rs. 350.

(8). The usual biennial horse show was held at Shikárpur in January 1896. In addition to Rs. 2,000 contributed by Government and Rs. 1,000 by the Upper Sind Frontier District Local Board, the Shikárpur District Local Board spent Rs. 3,876 in expenses and prizes.

57. The District Local Board have a veterinary dispensary at Shikárpur with a graduate in charge, and there is also an itinerating graduate, who travels throughout the district.

58. From

The COLLECTOR and PRESIDENT,
District Board, Karáchi;

To

The COMMISSIONER in SIND.

*President's Office,*
*Karáchi, 24th June 1896.*

Sir,

I have the honour to submit my report on the administration of the Local Boards in this district for the year 1895-96, together with the Statements I to IV, and to offer the following remarks on the same :—

Local Boards' Administration Report for 1895-96.

Statement I.

2. The population and the area of the district and the number of members of the several Boards are the same as last year, and there has been no change in the constitution of the Boards during the year.

3. The number of meetings held was 53 against 66 in the previous year, showing a decrease of 13 as shown below :—

| Name of Board. | 1895-96. | 1894-95. | More in 1895-96. | Less in 1895-96. |
|---|---|---|---|---|
| District Board, General ... ... .. | 2 | 2 | ... | ... |
| Karáchi-Sákro ... ... ... ... | 1 | 3 | ... | 2 |
| Tátta ... ... ... ... ... ... | 6 | 12 | ... | 6 |
| Ghorábári ... ... ... ... ... | 4 | 3 | 1 | ... |
| Sháhbandar-Jati ... ... ... .. | 4 | 5 | ... | 1 |
| Sujáwal-Mirpur ... ... ... .. | 3 | 6 | ... | 3 |
| Kotri-Mánjhand ... ... ... .. | 2 | 5 | ... | 3 |
| Sehwan ... ... ... ... ... | 8 | 9 | ... | 1 |
| Dádú ... ... ... ... ... ... | 13 | 11 | 2 | ... |
| Johi ... ... ... ... ... ... | 10 | 10 | ... | ... |
| Total ... | 53 | 66 | 3 | 16 |

The decrease is due to the fact that in several instances business was transacted by circulating papers of convening meetings. There is a slight decrease of 49 in the average attendance of members.

Statement II.

4. The year opened with a balance of Rs. 1,14,742-11-5 for the district.

5. *VI—Provincial Rates.—Local Rates.*—Receipts under this head amounted to Rs. 86,910-9-6 against Rs. 68,039-4-0 in the previous year, showing an increase of Rs. 18,871-5-6, which is chiefly due to the extensive rabi cultivation in the revenue year 1894-95, the revenue of which was collected in the Financial year 1895-96.

6. *XII—Interest on Dispensary Securities.*—Rs. 52-6-0 under this head against Rs. 64-10-2 in 1894-95 represent the interest of Government Loan Notes belonging to the Jerruck and Tháno Bulakhán dispensaries. The decrease of Rs. 12-4-2 is owing to the reduction in the rate of interest from 4 to 3½ per cent.

7. *XVII—Police.—Receipts under Cattle Trespass Act.*—Receipts under this head amount to Rs. 3,359-1-9 against Rs. 1,698-14-6 in the previous year.

8. *XIX—Education.*—Receipts under this head amount to Rs. 1,377-8-1 against Rs. 1,528-11-0, showing a decrease of Rs. 151-2-11, which is owing to smaller sales of articles manufactured in the technical schools.

9. *XX—Medical.—Hospitals and Dispensaries, Rs. 15-9-9.*—These are sundry receipts of the three dispensaries at Jerruck, Tháno Bulakhán and Mirpur Bathoro.

*Contributions, Rs. 2,347-0-0.*—This amount consists of Rs. 847, being District Municipal contributions towards the cost of vaccination, and Rs. 1,500 on account of Karáchi Municipal contribution towards the maintenance of the Veterinary Dispensary, Karáchi. There were no receipts under this head in the previous year.

*Miscellaneous, Rs. 3-8-9.*—This amount represents the sale-proceeds of old instruments, boxes and medicines.

10. *XXI—Scientific and other Minor Departments: Veterinary Receipts* —Rs. 7-11-7 are on account of refund of pay, &c.

11. *Other Fairs and Exhibitions.*—Rs. 306-8-4 represent stall fees realized at the fairs held at Pir Mangho in Karáchi Táluka, Pir Pátho in Ghorábári, Shah Yakik in Sháhbandar, and Mughulbin in Jati Táluka.

12. *XXV—Miscellaneous.*—Receipts under this head amount to Rs. 3,481-5-1 against Rs. 4,134-9-3 in the previous year. The decrease, Rs. 653-4-2, is due to smaller realizations from sale-proceeds of road-side trees.

13. *XXXII—Civil Works.—Tolls and Ferries, Rs. 28,565-4-3.*—This amount consists of —

| | | Rs. | a. | p. | | Rs. | a. | p. | |

Thus there is an increase of Rs. 148-12-0 in District Ferry receipts Rs. 1,844-6-8 in Kotri-Gidu and Rs. 3,171-7-9 in Syedpur-Tanka or Rs. 5,164-10-5 in all.

*Táluka Boards.*

The remaining items are on account of sand and quarry fees paid to Táluka Boards. The minus entry Rs. 1,723-6-6 against Kotri-Mánjhand represents the net amount refunded to Malik Dadokhan, *vide* Government Resolution No. 5817, dated 31st July 1895. It is an adjustment item like those of cattle-pounds.

(1) There is a decrease of Rs. 2,086-6-3 in fishery receipts as compared with the year 1894-95, which is owing to smaller sum realized at the sale of farms for 1895-96.

In 1894-95 Government made a grant of Rs. 454 only for water-supply, and in 1895-96 of Rs. 1,260, hence there is an increase of Rs. 806 under this head.

(2) The increase of Rs. 360 in Local Board dispensaries is owing to Government having made a contribution of Rs. 360 to the dispensary at Mirpur Bathoro, *vide* Resolution No. 3213, dated 1st August 1895.

(3) The grant to the Veterinary Dispensary, Rs. 900, is for the full year 1895-96. The amount shown in last year's report was for 2 months only, as the accounts of the dispensary were brought into the Incorporated Local Fund accounts from 1st February 1895 only. Prior to that date they were treated as belonging to Excluded Local Funds.

(4) The increase in the grants to District Board Educational is Rs. 91-4-5, on account of grant to school-buildings.

16. *Contribution from other Boards, Rs. 4,670.*—This amount consists of—

| | Rs. | Rs. |
|---|---|---|

| (2) District Board's grant to Dispensary at Jerruck... | 400 | |

| Do. Mirpur Bathoro ... | 1,300 | |
| | | 2,200 |
| (3) District Board's grant to Veterinary Dispensary, Karáchi ... | | 1,300 |

(1) The grant for wells is new.

(2) There is an increase of Rs. 500 in the grant to dispensaries as compared with the previous year, which is due to the increased grant made to Mirpur Bathoro dispensary owing to the abolition of the municipality there.

(3) The accounts of the Veterinary Dispensary were treated as Excluded Local Funds in 1894-95. The full grant for the year commences from 1895-96 when the dispensary accounts were brought on to the Incorporated Local Funds.

17. The incidence of taxation is annas 3-2 per head and that of income excluding balance annas 7-4 against annas 2-6 and annas 6-3 respectively in the previous year. The increase is due to the increase of Rs. 18,871-5-6 in the cess receipts, and about Rs. 10,000 in ferry receipts, private contributions, Government grants, &c.

STATEMENT III.

18. *Administration.*—Office Establishment Rs. 3,416-2-11 against Rs. 3,165-8-0 in 1894-95. The increase of Rs. 250-10-11 is due to the increment of Rs. 5 to the salary of the Local Fund Accountant and to acting allowances paid during the absence on leave of the Local Fund Accountant.

19. *Office Contingencies.*—This item amounts to Rs. 100-6-9 only against Rs. 779-9-6. In 1894-95 several Boards purchased dead stock articles, hence the large expenditure in that year.

20. *Payment of Establishment for Office of Accounts, Control and Audit, Rs. 973-6-10.*—This item represents the expenditure on account of the following establishment :—

| | Rs. | a. | p. |
|---|---|---|---|
| Establishment in the Commissioner in Sind's office ... | 314 | 1 | 0 |
| Do. in Accountant General's office ... ... | 564 | 0 | 0 |
| Educational Inspector's office ... ... ... | 95 | 5 | 10 |
| | 973 | 6 | 10 |

21. *22—Education.*—(1) *Training and Special Schools, Rs 1,759-0-4.*—There is a decrease of Rs. 383-6-11 under this head as compared with the past year which is due to smaller purchases of materials for technical schools for want of funds.

(2) *Primary Schools, Rs. 27,026-6-11 against Rs. 25,466-12-7 in 1894-95.*—The increase, Rs. 1,559-10-4, is due to the entertainment of new trained teachers and the opening of new schools as stated by the Educational Inspector in Sind.

22. *Grants-in-aid.*—The following grants, amounting to Rs. 13,039-4-9, were paid in 1895-96 against Rs. 13,605-5-6 in 1894-95 which shows a decrease of Rs. 566-0-9.

| | | | Rs. | a. | p. |
|---|---|---|---|---|---|
| (1) | Grant to Dayaram Jethmal Sind College ... ... | | 2,000 | 0 | 0 |

| (3) | Do. | Medical School, Hyderabad ... ... | 1,500 | 0 | 0 |
| (4) | Do. | Karáchi Museum ... ... ... | 600 | 0 | 0 |
| (5) | Do. | Karáchi Municipality for Female Normal School. | 1,010 | 0 | 0 |
| (6) | Do. | Tátta Municipality for their schools ... | 560 | 0 | 0 |
| (7) | Do. | Sehwán do. ... | 190 | 0 | 0 |
| (8) | Do. | Buback do. ... | 350 | 0 | 0 |
| (9) | Do. | Mánjhand do. ... | 50 | 0 | 0 |
| (10) | Do. | Female Training College, Hyderabad ... | 500 | 0 | 0 |
| (11) | Do. | Indigenous schools within the Board's area ... | 4,279 | 4 | 9 |

The decrease as stated by the Educational Inspector in Sind is due to the transfer of the Agricultural School from Local Board Budget to that of the village cess.

The first four grants are made out of the funds of the District Board General, and the remaining from the Educational funds.

23. *Scholarships.*—The scholarships amounting to Rs. 1,794-3-11 were paid as follows :—

| | | | Rs. | a. | p. |
|---|---|---|---|---|---|
| (1) | Stipends in the Training College, Hyderabad ... | | 1,062 | 11 | 10 |
| (2) | Do. | do. Middle and Special Schools ... | 216 | 0 | 0 |
| (3) | Do. | do. Technical School at Talti ... ... | 515 | 8 | 1 |

Expenditure under this head amounted to Rs. 2,307-7-8 in 1894-95. The decrease, Rs. 513-3-9, in 1895-96 is attributed to the transfer of the Agricultural School to the Village Cess Budget.

24. *Miscellaneous.*—Expenditure under this head amounts to Rs. 4,921-15-4 against Rs. 4,014-6-1 in 1894-95. The increase Rs. 907-9-3 is owing to the purchase of new furniture for old and new schools.

*24.—Medical.*

25. *Hospitals and Dispensaries.*—Expenditure under this head amounts to Rs. 9,056-6-7 against Rs. 11,649-8-6 in 1894-95. It consists of the following items :—

| | | Rs. | a. | p. |
|---|---|---|---|---|
| (1) | Grant to the Dispensary at Sehwan ... ... | 800 | 0 | 0 |
| (2) | Do. do. Tátta ... ... | 700 | 0 | 0 |
| (3) | Do. do. Kotri ... ... | 600 | 0 | 0 |
| (4) | Do. do. Dádu (Railway Dispensary)... | 400 | 0 | 0 |
| (5) | Expenditure on account of maintenance of the 3 Dispensaries at Jerruck, Tháno Bulákhán and Mirpur Bathora ... ... ... .... | 2,857 | 12 | 7 |
| (6) | Do. of the Richmond Crawford Veterinary Dispensary. | 3,698 | 10 | 0 |

There is a decrease of Rs. 2,593-1-11 as compared with 1894-95, which is attributed to the following reasons—

(1) In 1894-95 the District Board made a grant of Rs. 4,250 towards the Veterinary Dispensary which was then treated as an excluded Local Fund. In 1895-96 it is shown as a separate Board and its expenditure, Rs. 3,693-10 0, incurred from Incorporated Local Funds. Thus there is a decrease of Rs. 551-6-0 under this head.

(2) There is a decrease of Rs. 425-1-3 in the expenditure of the three dispensaries shown under clause (5) as compared with 1894-95.

(3) In 1894-95 the District Board's grant to the three dispensaries *viz.* Rs. 1,700, was shown under Hospitals and Dispensaries. The grants are now shown under contributions to "other Boards." The total decrease comes to Rs. 2,676-7-3, the difference Rs. 83-5-4 is on account of the full grant, Rs. 400, having been made to the Railway Dispensary at Dádu instead of Rs. 316-10-8 in 1894-95.

26. *Sanitation and Vaccination.*—Expenditure under this head amounts to Rs. 5,450-8-1 against Rs. 6,132-4-6 in 1894-95. The decrease, Rs. 681-12-5, is chiefly owing to smaller expenditure having been incurred on sanitation, such as conservancy, cutting jungle, &c.

27. *26—Scientific and other Minor Departments.*—This head contains :—

| | | Rs. |
|---|---|---|
| (1) | Grant to public garden, Karáchi ... ... ... | 1,800 |
| (2) | Do. Sehwan garden ... ... ... ... | 200 |

The grants are the same as last year.

28. *30—Stationery and Printing.*—Expenditure under this head amounts to Rs. 1,065-15-10 against Rs. 802-4-3 in the previous year. The increase is due to a large amount of stationery purchased by the Táluka Board of Kotri-Mánjhand.

*32.—Miscellaneous.*

29. *Staging Bungalow and Serái Establishment Charges.*—Expenditure under this head amounts to Rs. 1,323-9-5 against Rs. 1,428-10-10 in 1894-95. The decrease, Rs. 105-1-5, is due to less furniture purchased in 1895-96.

30. *Other Petty Establishment and Charges.*—The amount expended under this head is Rs. 17,866-3-7 against Rs. 18,286-9-3 in the past year. The decrease is partly owing to the salaries of Maistries having been shown during the year under report under establishment subordinate to "45—Civil Works in

charge of Civil Officers" and partly to the fluctuations in the expenditure on account of planting and preservation of road-side trees.

31. *Miscellaneous Unforeseen Charges,* Rs. 729-1-0.—This amount consists of Rs. 645-5-0 paid to Municipalities under section 47 of the Act and Rs. 72 on account of charges of the suit filed against a contractor for recovery of the amount due by him for short work done, Rs. 11-12-0 are on account of medicines purchased by Táluka Boards. The decrease, Rs. 314-1-8, is partly owing to a decrease of Rs. 124-8-0 in cess receipts within municipal limits and partly to smaller quantity of medicines purchased in 1895-96.

LOCAL FUND DEPARTMENT.

FROM

THE COLLECTOR OF HYDERABAD,

To

THE COMMISSIONER IN SIND.

*Collector's Office,*
*Hyderabad, 20th June 1896.*

SIR,

I have the honour to submit the accompanying Statements Nos. 1 to 4 embodying statistical information, and to report on the administration of the Hyderabad District and Táluka Local Boards for the year 1895-96.

2. The District Local Board held two meetings during the year, and the Executive Committee of that Board held one.

3. A comparative statement, showing the number of meetings and the average attendance, is given below :—

| | 1894-95. | | 1895-96. | | 1895-96. | | | |
|---|---|---|---|---|---|---|---|---|
| | | | | | Increase. | | Decrease. | |
| | Number of Meetings. | Average Attendance. | Number of Meetings. | Average Attendance. | Meetings. | Attendance. | Meetings. | Attendance. |

| Dero Mohobat ... ... ... | 7 | 6 | 10 | 7 | 3 | 1 | ... | ... |
| Tando Alahyár ... ... ... | 10 | 7 | 7 | 7 | ... | ... | 3 | ... |
| Sháhdádpur ... ... ... | 7 | 6 | 6 | 6 | ... | ... | 1 | ... |

| Sakrand ... ... ... ... | 14 | 6 | 12 | 6 | ... | ... | 2 | ... |
| Moro ... ... ... ... | 14 | 7 | 10 | 7 | ... | ... | 4 | ... |
| Naushábro ... ... ... | 3 | 8 | 8 | 5 | 5 | ... | ... | 3 |
| Kandiáro ... ... ... | 8 | 8 | 10 | 8 | 2 | ... | ... | ... |

It will be seen that there was a net increase in the number of meetings. The reasons assigned for the decrease are that there was no necessity to call for more meetings.

The extent to which interest is felt in Local Board matters by the members of the various Boards is a subject deserving notice and one on which I would gladly give information if I were able to do so. But having been only some three months in the district, I am not in a position to express my opinion on this.

4. The area and population of Municipal and Cantonment limits have been excluded from the figures given in columns 4 and 5 of Statement No. 1.

Owing to territorial changes one member of the District Local Board representing the Mirpur Khás Táluka Local Board was transferred to the Thar and Párkar District, as was also one from the Sháhdádpur Táluka Local Board.

STATEMENT No. II.

5. The year opened with a balance of Rs. 73,572-4-1, as follows:—

The increase is trifling and needs no explanation.

*Office Contingencies.*

| | Rs. | a. | p. |
|---|---|---|---|
| 1894-95 ... ... ... | 1,378 | 6 | 9 |
| 1895-96 ... ... ... | 600 | 0 | 0 |

The decrease of Rs. 778-6-9 can merely be explained by the fact that there was less expenditure under this head.

Payment of Establishment for office of account, control and audit.

| | Rs. | a. | p. |
|---|---|---|---|
| 1894-95 ... ... ... | 1,543 | 3 | 5 |
| 1895-96 ... ... ... | 1,319 | 4 | 6 |

The decrease needs no explanation. The sum of Rs. 1,319-4-6 is made up as follows :—

| Indigenous Schools ... ... ... ... | 5,246 | 14 | 6 |

The decrease of Rs. 4,257-14-9 is due to the curtailment of allotment to the Nausháhro Technical Schoos, owing to want of funds, as also to the non-payment of any grant to the Hiránand Academy in the year under report.

*Scholarships*—Rs. 3,460-8-10 against Rs. 3,711-8-10 in the previous year. The decrease is due to the transfer of the Agricultural School.

|---|---|---|---|---|---|---|
| 1894-95 | ... | ... | ... | 5,114 | 1 | 3 |
| 1895-96 | ... | ... | ... | 4,955 | 10 | 1 |

The decrease of Rs. 158-7-2 is due to the non-purchase of coats which were supplied to the Local Fund Vaccinators' peons in 1894-95.

*Sanitation.*—A sum of Rs. 1978-13-6 was contributed by some of the Táluka Boards towards the cost of village sanitation.

As usual a sum of Rs. 1,500 was granted towards the maintenance of the medical school.

17. *26.*—SCIENTIFIC AND OTHER MINOR DEPARTMENTS.

*Experimental Cultivation, Farm and Dairy Experiments.*

| | | | | Rs. | a. | p. |
|---|---|---|---|---|---|---|
| 1894-95 | ... | ... | ... | 6,461 | 1 | 4 |
| 1895-96 | ... | ... | ... | 2,183 | 7 | 2 |

The decrease of Rs. 4,277-10-2 is due to the fact that the District Local Board having considered the farm to be not self-supporting decided to reduce expenditure on it which was done by reducing the extent of agricultural operations on it and the establishment entertained for the purpose.

*Horse and Cattle Shows.*

Two Horse and Cattle Shows were held, one at Moro and the other at Talhar.

The Nausháhro Horse and Cattle Show was held at Moro on the 3rd February 1896 and the two following days.

The District Local Board and the four Táluka Local Boards of the sub-division contributed in all the sum of Rs. 3,000, of which the details are given below:—

| | | | | Rs. | a. | p. |
|---|---|---|---|---|---|---|
| District Local Board | | ... | ... | 2,000 | 0 | 0 |
| Kandiáro Táluka Board | | ... | ... | 50 | 0 | 0 |
| Nausháhro | do. | ... | ... | 150 | 0 | 0 |
| Moro | do. | ... | ... | 400 | 0 | 0 |
| Sakrand | do. | ... | ... | 400 | 0 | 0 |

A sum of Rs. 600 was also contributed by Government as a grant-in-aid towards the expenses of the Show.

Of the total amount thus placed at the disposal of the Horse Show Committee, a sum of Rs. 3,080 was given away in prizes to 309 successful exhibitors, Rs. 44 in races, and Rs. 200 were set aside for the miscellaneous expenses incidental to the arrangements and installation of the Show, making an aggregate expenditure of Rs. 3,324. The surplus balance was paid into the Treasury.

Only 18 remounts were purchased this year as compared with 72 last year. The falling off, however, is not to be attributed to any deficiency in the supply of animals suitable for remount purposes, but rather to the inability of several purchasing officers to attend the Show this year. Thirteen mules were brought for transport purposes.

In spite of the general decrease observable in nearly all classes of exhibits, it must not be supposed that this year's Horse Show was in any sense a failure or even that it was materially inferior to those held during the past three years. The dates fixed were unfortunate, clashing with other popular events, and greater strictness was observed in admitting animals to the Show.

The Show at Talhar was held from the 12th to the 14th February and was a great success. The brood mares were again selected by Veterinary-Captain Morgan, as especially good. There were 791 exhibits in all, and 173 were awarded prizes amounting to Rs. 3,305. It was again found that the cattle were few and practically worthless, and it has been decided to discontinue this part of the Show. It seems also doubtful whether there is any advantage to be gained in offering prizes for camels. The money thus saved would be more profitably spent in offering additional prizes for horses. The incidental expenses of the Show amounted to Rs. 575-15-9. A sum of Rs. 576-12-9 was spent on sanitary arrangements on fairs this year against Rs. 523-7-6 last year.

*Veterinary charges*, Rs. 2,799-1-1.—There is an increase of Rs. 431-4-11 under this head as compared with last year.

A sum of Rs. 775 was received from Government as a grant-in-aid towards the maintenance of the Veterinary Dispensary as shown under the head of Provincial Contributions.

The number of in-patients has increased from 233 to 241, and of the out-patients from 913 to 1,019. Out of those treated,—

| | |
|---|---|
| 1,094 were cured, | 66 results unknown, |
| 37 were relieved, | 23 remaining, |
| 7 were incurable, | 33 died. |

The dispensary has finished the third year of its existence. The good done by this institution since its opening and a gradual increase in the number of attendance have led to the District Local Board deciding to build a veterinary dispensary; and as soon as the site is fixed upon, which will be done in consultation with the Superintendent, Civil Veterinary Department, the work will be commenced. Hitherto the work has been carried on in a hired building which is far from being as convenient as it might be.

| | Rs. | a. | p. |
|---|---|---|---|
| 1894-95 ... ... ... | 1,156 | 1 | 1 |
| 1895-96 ... ... ... | 907 | 12 | 5 |

The decrease under this head was Rs. 248-4-8, owing partly to there being no purchases and partly to expenditure of some of the stallions not having been billed for during the year.

Five more stallions were sent to the Hyderabad District during the year, so in all there were 10 stallions. Out of these, one horse stallion died on the 13th October 1895 and one was sold by auction, having become useless for stallion purposes. Considerable amount of interest is shown in some parts of the district in horse-breeding, some zamindárs giving great assistance to the divisional officers in this matter.

*Botanical and other Public Gardens.*

| | Rs. | a. | p. |
|---|---|---|---|
| 1894-95 ... ... ... | 6,093 | 5 | 4 |
| 1895-96 ... ... ... | 9,329 | 12 | 1 |

The increase of Rs. 3,236-6-9 is due to increased expenditure in Moro and Kandiáro, on new gardens maintained in Tando Bago and Shahdádpur, and lastly to the whole expenditure on account of water-supply and fuel having been charged to the Economic Garden at Hyderabad instead of being shared, as hitherto, by the farm. This garden has of late been doing very well and has improved in many respects.

|---|---|---|---|
| 1894-95 ... ... ... ... | 776 | 10 | 3 |
| 1895-96 ... ... ... ... | 800 | 9 | 6 |

The increase of Rs. 23-15-3 is insignificant and needs no explanation.

The decrease of Rs. 28-9-2 is due to a less number of forms having been required during the year under report.

*32.*—MISCELLANEOUS.

19. Petty establishments, staging bungalow and serái establishment charges Rs. 80-2-0 against Rs. 77-2-7. Other petty establishments and charges Rs. 6,085-8-9.

The increase under the first head is due to a large number of men having been employed in planting and replanting road-side trees.

*Miscellaneous and Unforeseen Charges.*

A sum of Rs. 370 was assigned to Municipalities under Section 47 of the Local Boards Act, and Rs. 367-4-9 paid on account of ferry charges.

As compared with the last year's figures there is a decrease of Rs. 23,879-3-6, which is due to a less number of works having been constructed during the year under report.

No. 458 OF 1896-97.

LOCAL FUND DEPARTMENT.

FROM

COLONEL ALFRED MAYHEW,
Collector of Shikárpur;

TO

THE HONOURABLE MR. H. E. M. JAMES, I.C.S.,
Commissioner in Sind.

*Collector's Office, 25th June 1896.*

SIR,

I.—Constitution.
II.—Income.
III.—Expenditure.
V.—Sanitation.

I have the honour to submit the Annual Administration Report on the working of the Local Boards in this district for the year ending 31st March 1896, with the prescribed statements as per margin.

STATEMENT I.

*Constitution.*

2. The population and the area of the Boards remained unchanged. The number of members was the same as last year.

3. The number of meetings held during the year was 148 as in the previous year. The District Board held two half-yearly meetings. No special meetings were called. On ten occasions the provisions of Section 34 of the Local Boards Act were availed of. The executive committee of the District Local Board

met four times during the year to dispose of Local Fund business. Most of the business was done by circulating propositions amongst members as in the last year. The average attendance at the District Local Board meetings was over 60 per cent. and the average attendance at the Táluka Local Board meetings was fairly good. There is a slight decrease in the average attendance as compared with the last year.

STATEMENT II.

*Income.*

4. The year opened with a balance of Rs. 99,778-13-11. The excess difference of Rs. 19-9-4 as compared with the closing balance shown in the preceding year's report is due to certain items of expenditure overpaid in 1894-95 and refunded in April 1895 having been expunged from the accounts under the Accountant General's instructions. The income of the several Boards during the year amounted to Rs. 3,08,103-1-0 against Rs. 2,86,936-8-4, the latter sum including the balance of the veterinary dispensary transferred to the Local Fund on 1st February 1895 (*viz.* Rs. 529-14-5) in the previous year. The total amount at the disposal of the Boards was thus Rs. 4,07,881-14-11 against Rs. 3,99,277-4-4, or Rs. 8,604-10-7 more than in the preceding year. The items of income and the reasons for increases and decreases as compared with the previous year are given below :—

5. *I.—Land Revenue.*

| | Rs. | a. | p. |
|---|---|---|---|
| Sale-proceeds of trees, grass, &c., in 1895-96... ... | 1,887 | 9 | 6 |
| Do. do. in 1894-95... ... | 2,570 | 8 | 9 |
| Decrease ... | 682 | 15 | 3 |

The decrease is due to loppings of trees being less than in the preceding year.

6. *VI.—Provincial Rates.*

| | Rs. | a. | p. |
|---|---|---|---|
| Local Rate, 1895-96 ... ... ... | 2,04,430 | 15 | 3 |
| Do. 1894-95 ... ... ... | 1,90,470 | 6 | 11 |
| Increase ... | 13,960 | 8 | 4 |

This represents cess on land credited to Local Funds under clause (*a*) of Section 44 of the Local Boards Act. The inundation of 1894-95 was favourable to the rabi season, in consequence of which the rabi collections of land revenue were larger than in the preceding year, which accounts for increase in the cess also.

*XII.—Interest.*

7. The receipts under this head amounted to Rs. 87-4-8 against Rs. 112-3-8 in the last year. The receipts relate to interest received on investments of dispensary funds.

*XVII.—Police.*

8. *Receipts under Cattle Trespass Act.*—This shows an increase of Rs. 2,933-9-2 as follows and is due to scarcity of fodder in consequence of which the number of stray animals impounded was larger than in the year previous :—

| | Rs. | a. | p. |
|---|---|---|---|
| 1895-96 ... ... ... ... | 11,091 | 7 | 6 |
| 1894-95 ... ... ... ... | 8,157 | 14 | 4 |
| Increase ... | 2,933 | 9 | 2 |

## *XIX.—Education.*

9. The income under this head is composed of the following items:—

| | Rs. | a. | p. | Rs. | a. | p. |
|---|---|---|---|---|---|---|
| School-fees ... ... ... ... | 217 | 14 | 0 | | | |
| *Miscellaneous.* | | | | | | |
| Examination fees ... ... ... | 16 | 0 | 0 | | | |
| Technical school produce ... ... | 174 | 5 | 6 | | | |
| Bhátta received from Courts by school-masters. | 13 | 6 | 0 | | | |
| Refunds ... ... ... ... | 3 | 11 | 2 | | | |
| Sale of books ... ... ... | 3 | 13 | 1 | | | |
| Other items ... ... ... | 11 | 7 | 0 | | | |
| Commission received by the Educational Inspector on the value of books purchased from Local Funds... ... ... | 761 | 10 | 0 | | | |
| | | | | 1,202 | 2 | 9 |

The figures compare with the preceding year as follows:—

*(a)—School-fees.*

| | Rs. | a. | p. |
|---|---|---|---|
| 1895-96 ... ... ... | 217 | 14 | 0 |
| 1894-95 ... ... ... | 120 | 2 | 6 |
| Increase ... | 97 | 11 | 6 |

The increase is due to the introduction of fees in the Local Board schools of the Sukkur and Shikárpur tálukas.

*(b)—Miscellaneous.*

| | Rs. | a. | p. |
|---|---|---|---|
| 1895-96 ... ... ... | 984 | 4 | 9 |
| 1894-95 ... ... ... | 198 | 0 | 1 |
| Increase ... | 786 | 4 | 8 |

The increase is chiefly due to the recovery of commission from the Curator, Government Book Depôt, during the year on the value of books purchased. No such recovery was made during the preceding year.

10. *XX.—Medical.*

(*a*).—Receipts on account of hospital stoppages, &c., amounted to Rs. 42-13-6 against Rs. 25-4-0 last year. The new dispensary opened at Ubauro during the year under report has contributed to the increase.

*(b)—Contributions.*

| | Rs. | a. | p. |
|---|---|---|---|
| Amounted in 1895-96 to ... ... | 200 | 0 | 0 |
| Do. in 1894-95 to ... ... | 68 | 0 | 0 |
| Increase ... | 132 | 0 | 0 |

The increase is due to the recovery made from the Garhi Yásin Municipality on account of contribution towards the cost of vaccination establishment, &c., for the years 1892-93 to 1895-96, which remained unrecovered in previous years.

(*c*).—Miscellaneous other receipts amounted to Rs. 10-0-6. Of this Rs. 8 is on account of sale-proceeds of quinine realized from Zamindárs, and the balance, Rs. 2-0-6, is on account of sale-proceeds of unserviceable boxes sold by vaccinators.

*XXI.—Scientific and other Minor Departments.*

11. Botanical and other public garden receipts amounted to Rs. 2,577-7-0. The receipts under this head show an increase of Rs. 348-15-8, which was contributed by the Pano Akil Garden, the produce of which realized more than in the preceding year.

*Veterinary Receipts.*

| | Rs. | a. | p. |
|---|---|---|---|
| Amounted to ... ... ... | 805 | 5 | 0 |
| These consist of— | | | |
| Municipal contribution for the maintenance of the dispensary, and ... ... | 795 | 0 | 0 |
| Miscellaneous ... ... ... | 10 | 8 | 0 |

*XXV.—Miscellaneous.*

12. This consists of the following items of receipts:—

| | Rs. | a. | p. |
|---|---|---|---|
| Sale of old stores and materials ... | 441 | 9 | 6 |
| Staging bungalow receipts ... ... | 39 | 12 | 0 |
| Other items ... ... ... | 313 | 8 | 8 |
| Total ... | 794 | 14 | 2 |

against Rs. 650-5-11 in 1894-95. The increase of Rs. 144-8-3 is due to the sale of old materials of the Musáfir bungalow at Nasirábad which had fallen into ruins and was not fit to be maintained with any advantage.

*XXXII.—Civil Works.*

13. The total realizations under this head amounted to Rs. 18,119-4-3 against Rs. 20,580-14-3 last year. The details are as follows:—

| Tolls on Ferries— | Rs. | a. | p. |
|---|---|---|---|
| 1895-96 ... ... ... | 14,113 | 2 | 11 |
| 1894-95 ... ... ... | 10,925 | 3 | 10 |
| Increase ... | 3,187 | 15 | 1 |

The increase is due to the sale of the farm of the Sukkur-Rohri ferry at a better bid than last year, and also to a reduction in the expenditure on the maintenance of the ferry.

*(b)—Rent of Buildings and Lands.*

| | Rs. | a. | p. |
|---|---|---|---|
| 1895-96 ... ... ... | 1,254 | 12 | 0 |
| 1894-95 ... ... ... | 829 | 0 | 0 |
| Increase ... | 425 | 12 | 0 |

The increase is due to the rent of shops in the Bugri Bágh at Rohri having been credited during the year under report. Nothing was realized in the previous year owing to the fact that the land was farmed out in December 1893 for 15 months, including the whole of 1894-95, for Rs. 600, which was paid in 1893-94.

(c).—The sum of Rs. 200 is on account of sale-proceeds of the old school at Warah, which was too small for the purpose.

*(d)—Contributions.*

| | Rs. | a. | p. |
|---|---|---|---|
| 1895-96 ... ... ... | 2,551 | 5 | 4 |
| 1894-95 ... ... ... | 8,826 | 10 | 5 |
| Decrease ... | 6,275 | 5 | 1 |

The popular contribution realized for the sinking of new wells under the new scheme of improvement of the village water-supply amounted to Rs. 4,526-10-5 in the last year, whereas in the year under report Rs. 2,551-5-4 only were received. Rs. 4,000 were contributed by the Garhi Yásin and Ráto-dero Municipalities in 1894-95 towards the construction of dispensaries, but no such contribution was credited to Local Funds during the year 1895-96.

| Total .. | 65,853 | 12 | 11 | 58,701 | 4 | 5 | 9,489 | 11 | 2 | 2,337 | 2 | 8 |

(1) The increase in sand and quarry fees is attributed to keener competition for the farm of Fuller's earth.

(2) The fishery fees show a falling off, which is due to the unfavourable inundation during the year under report.

(3) In the Provincial contribution for road repairs there is an increase of Rs. 147, but this amount was erroneously drawn and was subsequently adjusted to the credit of Government in the same year as explained in para. 25 *infra*.

(4) *Grant for Horse Shows.*—The Sind Horse Show is held at Jacobabad and Shikárpur every alternate year. During the year under report it was held at Shikárpur, and the Government grant was therefore credited to this district. Last year it was paid to the Upper Sind Frontier District.

(6) *Government grant for wells.*—The whole of the amount sanctioned by Government under the new scheme of village water-supply for 1894-95 and 1895-96 was drawn during the year under report; and whatever amount could not be spent owing to the works being still in progress was credited to Local Funds for payment in the following year.

(8) Government grant to dispensaries amounted to Rs. 3,355. The details of this item are as follows:—

| | Rs. |
|---|---|
| Mehar Dispensary ... ... ... | 700 |
| Dokri do. ... ... ... | 600 |
| Ubauro do. ... ... ... | 600 |
| Veterinary do. ... ... ... | 1,455 |
| Total ... | 3,355 |

The dispensary at Ubauro was opened on 1st May 1895 and hence the Government grant of Rs. 600 appears for the first time. The Government grant to the Veterinary Dispensary for 1894-95 was paid direct to the dispensary, and the surplus balance only was transferred to the Local Fund on the 1st February 1895. These items account for the increase of Rs. 2,055 under this head.

(9). *Government grant to School Buildings, Rs. 1,109-5-4.*—No Government grant towards the school buildings was credited during 1894-95. The grant-in-aid bills were sent to the Director of Public Instruction, but they were received back countersigned after the close of the year; hence the increase of Rs. 1,109-5-4.

(*b*)—*From other Boards.*

Under this head are shown grants to the following Local Board Dispensaries paid from Local Funds:—

| | Rs. |
|---|---|
| Mehar ... ... ... ... | 1,500 |
| Dokri ... ... ... ... | 600 |
| Ubauro... ... ... ... | 600 |
| Veterinary Dispensary ... ... | 2,900 |

The contribution to the Ubauro dispensary (Rs. 600) is a new one, as the dispensary was opened only during the year. Rs. 1,500 were given to the Mehar dispensary instead of the usual Rs. 1,000 in order to enable it to meet the cost of medical instruments and apparatus purchased during the year.

In addition to these items a sum of Rs. 1,000 received from the Upper Sind Frontier District on account of Horse Show grant is also shown under this head.

15. The incidence of taxation and of the income per head of population for the two years compare as follows:—

| | Incidence of Taxation per head of Population. | Incidence of Income per head of Population. |
|---|---|---|
| | Rs. a. p. | Rs. a. p. |
| 1895-96 ... | ... 0 4 1 | 0 6 2 |
| 1894-95 ... | ... 0 3 10 | 0 5 9 |

The incidence shows a little improvement.

16. STATEMENT III.

*Expenditure.*

The expenditure of the several Local Boards amounted to Rs. 3,28,656-13-7 as compared with Rs. 2,99,517-15-9 last year, showing an increase of Rs. 29,138-13-10. The causes of increases and decreases in the several items of expenditure are given below:—

*XVIII.—Administration.*

17.—Office Contingencies—

| | Rs. a. p. |
|---|---|
| In 1895-96 amounted to ... ... | 772 11 3 |
| „ 1894-95 „ ... ... | 430 7 6 |
| Increase ... | 342 3 9 |

The increase under this head is due to the purchase of dead-stock articles in the several Táluka Local Board Offices.

18. Payment of establishments for offices of accounts, control and audit amounted to Rs. 6,101-4-9 or Rs. 254-5-7 more than in the preceding year. The expenditure shown under this head is made up, as reported last year, of charges incurred on account of establishments entertained in Government offices on the business of the Local Boards. The increase is due to the fact that the pay of the two clerks in the Assistant Collectors' offices at Lárkhána and

Rohri, which was shown for the first four months of 1894-95 under the head "Office Establishment," has now been included in the expenditure shown under this head—*vide* Government Resolution No. 2068 of 21st June 1894.

19. 22.—*Education.*

The total amount expended under this head in 1895-96 was Rs. 87,545-1-3 against Rs. 86,441-11-9 in the preceding year, showing a net increase of Rs. 1,103-5-6.

The increase and decrease under the several sub-heads are explained as under:—

(*a*)—*Primary Education.*

| | | Rs. | a. | p. |
|---|---|---|---|---|
| 1895-96 ... ... ... | ... | 57,961 | 5 | 2 |
| 1894-95 ... ... ... | ... | 58,782 | 4 | 0 |
| Decrease ... | | 820 | 14 | 10 |

One night school was closed during the year owing to paucity of attendance, but the decrease is chiefly due to reduction in the expenditure on class books and furniture supplied to Local Board schools for want of sufficient funds. The number of primary schools maintained by the Local Board was 131 during the year under report, the attendance being 5,338 against 5,166 last year.

(*b*)—*Grant-in-Aid.*

| | Rs. |
|---|---|
| 1895-96 ... ... ... ... | 21,972 |
| 1894-95 ... ... ... ... | 19,287 |
| Increase ... | 2,685 |

The expenditure under this head shows an increase of Rs. 2,685 and consists of the following items:—

| | | Rs. |
|---|---|---|
| Grant to the Sind Arts College ... ... | ... | 2,000 |
| Do. Sind Madrassa ... ... | ... | 2,000 |
| Do. Technical Institute at Sukkur for maintenance | ... | 2,500 |
| Do. do. for buildings | ... | 2,250 |
| Do. Indigenous Schools ... ... | ... | 10,995 |
| Do. to Municipal Schools ... ... | ... | 1,127 |
| Do. to the Female Training College at Hyderabad | ... | 1,100 |
| Total | ... | 21,972 |

The increase is accounted for by the fact that an additional grant of Rs. 2,750 was given to the Technical Institute at Sukkur during the year under report, Rs. 2,250 for building masters' quarters, &c., and Rs. 500 additional grant for maintenance. The grant to indigenous schools also increased by Rs. 408 as the number of schools rose from 396 in 1894-95 to 416 in 1895-96. Against this increase there was a decrease of Rs. 103 in the grant made to municipal schools, which is subject to variation, being determined by the number of tax-payers' boys attending the schools; and of Rs. 370 on account of contribution towards the maintenance of the Agricultural Class at Hyderabad. This class, which was formerly maintained from Local Fund contribution, has been converted into a Training School for Tapádárs and is maintained entirely at the expense of the Village Cess Fund—*vide* Government Resolution No. 9742 of 28th November 1894, Revenue Department.

(*c*)—*Scholarships.*

| | Rs. | a. | p. |
|---|---|---|---|
| Amounted in 1895-96 to ... ... | 2,842 | 7 | 4 |
| Do. and in 1894-95 to ... ... | 3,575 | 9 | 6 |
| Decrease ... | 733 | 2 | 2 |

The District Board used to pay ten scholarships of Rs. 10 each in the Agricultural Class at Hyderabad, and the expenditure in 1894-95 amounted to Rs. 887-14-6. This was saved to the Board by the conversion of the class into a Tapadárs Training School as stated above. The expenditure is composed of the following items:—

| | | Rs. | a. | p. |
|---|---|---|---|---|
| 1 | Scholarship for the student sent by the Board to the Veterinary College at Bombay ... ... | 481 | 5 | 0 |
| 19 | Scholarships in the Training College at Hyderabad ... | 2,145 | 2 | 4 |
| 6 | do. in Middle and Special Schools ... | 216 | 0 | 0 |
| | Total ... | 2,842 | 7 | 4 |

The student sent to the Veterinary College at Bombay has, since the close of the year, completed his college carreer successfully, but the Board could not avail themselves of his services as there were already two graduates in their employ, one of whom is stationed at the Veterinary Dispensary at Shikárpur, while the other tours throughout the district. Another student has been sent to the college in the current year. There was an increase in the expenditure under this item due to the purchase of Diploma Examination books for the student.

The Training College supplied 9 trained masters against 7 in the last year for employment in this district, and they were all employed in January 1896.

(*d*) Miscellaneous expenditure.

| | | Rs. | a. | p. |
|---|---|---|---|---|
| Amounted in 1895-96 to ... ... | | 4,769 | 4 | 9 |
| and | | | | |
| in 1894-95 to ... ... | | 4,474 | 12 | 9 |
| | Increase ... | 294 | 8 | 0 |

This is a fluctuating item of expenditure and the increase in it needs no explanation.

20. *XXIV—Medical Hospitals and Dispensaries.*—The expenditure under this head amounted to Rs. 12,077-3-3 as compared with Rs. 14,361-0-3, showing a net decrease of Rs. 2,283-13-0. The expenditure consists of the following items:—

(*a*) *Grant to Hospitals and Dispensaries—*

| | Rs. |
|---|---|
| 1895-96 ... ... ... ... | 6,666 |
| 1894-95 ... ... ... ... | 10,760 |
| Decrease ... | 4,094 |

The figures of 1894-95 included Rs. 4,560 on account of grants to Local Board Dispensaries, but this item was paid during the year under report by transfer entries in the accounts. There was thus really an increase of Rs. 466 which amount the Board contributed to the new Municipal Dispensary at Gárhi Yásin opened during the year under report.

(*b*) *Purchase of Quinine—*

| | Rs. | a. | p. |
|---|---|---|---|
| 1895-96 ... ... ... | 781 | 11 | 0 |
| 1894-95 ... ... ... | 210 | 2 | 0 |
| Increase ... | 571 | 9 | 0 |

due to an increased supply of quinine having been obtained for distribution amongst the poor classes of people who appreciated it very much, and it was a boon to poor sufferers living in outlying villages.

(c) *Maintenance of Local Board Dispensaries—*

| | Rs. | a. | p. |
|---|---|---|---|
| 1895-96 ... ... ... | 4,629 | 8 | 3 |
| 1894-95 ... ... ... | 3,390 | 14 | 3 |
| Increase ... | 1,238 | 10 | 0 |

The increase in the cost of the maintenance of the dispensaries was due to the opening of an Additional Local Board Dispensary at Ubauro during the year under report.

*Vaccination Establishment and charges.*

The expenditure under this head amounted to—

| | Rs. | a. | p. |
|---|---|---|---|
| In 1895-96 ... ... ... | 6,125 | 8 | 10 |
| against „ 1894-95 ... ... ... | 9,559 | 3 | 9 |
| Decrease ... | 3,433 | 10 | 11 |

The decrease is due to the fact that the Local Board contribution towards the cost of vaccination for 1893-94, amounting to Rs. 3,341-1-8, was adjusted in 1894-95 and also to the increased expenditure under contingencies during that year.

*Sanitation charges* were the same as last year. The sum of Rs. 300 is annually spent on account of the pay of five sweepers employed by the Táluka Local Boards for the conservancy of the towns of Mehar and Khairpur Nathan-shah.

21. *XXVI.—Scientific and other Minor Departments.*

(a) *Horse Fairs—*

The expenditure under this head amounted to Rs. 6,876-0-11 as the Horse Show was held at Shikárpur during the year under report for which a separate report was submitted, and no further remarks are, therefore, required here.

(b) *Veterinary charges—*

| | Rs. | a. | p. |
|---|---|---|---|
| amounted in 1895-96 to ... ... ... | 4,109 | 5 | 2 |
| against in 1894-95 to ... ... ... | 675 | 0 | 9 |
| Increase ... | 3,434 | 4 | 5 |

The expenditure cannot be properly compared as the Dispensary Fund was transferred to Local Funds from 1st February 1895 and the preceding year's report showed expenditure for three months only, whereas the year under report includes the total charges of the dispensary for the whole year. The following figures will show the working of the dispensary—

| | 1894-95. | 1895-96. |
|---|---|---|
| Number of animals Admitted during the year ... | 843 | 894 |
| „ Cured ... ... ... | 702 | 700 |
| „ Relieved ... ... ... | 65 | 95 |
| „ Died ... ... ... | 4 | 15 |
| „ Unknown ... ... ... | 33 | 36 |
| „ Remaining ... ... ... | 17 | 29 |
| „ Uncurable ... ... ... | 16 | 19 |

The increase occurs in the number of in-patients consisting chiefly of animals belonging to officers and Police. The number of out-patients has fallen from 717 to 705, which is not encouraging.

The Itinerating Veterinary Graduate treated 455 animals in the district, of whom he cured and relieved 327. There were several outbreaks of contagious diseases amongst animals in different places in the district, but prompt measures were taken for their suppression with satisfactory results.

(*c*) ***Bull and Stallion Charges—***

| | Rs. | a. | p. |
|---|---|---|---|
| In 1895-96 ... ... ... | 1,739 | 14 | 10 |
| „ 1894-95 ... ... ... | 1,791 | 4 | 6 |
| Decrease ... | 51 | 5 | 8 |

The decrease is small and calls for no special remarks. There were 13 stallions at the beginning of the year, three horse stallions and 10 donkey stallions; 2 more donkey stallions arrived from Bombay in January 1896 and one died of spasmodic colic on the 4th February 1896, leaving a balance of 14 at the close of the year.

The number of mares covered by horse stallions was 67 against 106, and that by donkey stallions 515 against 423 in the preceding year, or an average of 22½ and 48¼ respectively. There is an improvement in the number of coverings by donkey stallions, but the result of coverings is as unsatisfactory as ever. Efforts have been made to obtain correct statistics, but with little success. The donkey stallion which was lent to the Khairpur State in 1894-95 is not doing good work there. He covered 27 mares only during 1895-96. Another donkey stallion was purchased for stud purposes by the State at the last Horse Show.

(*d*) ***Botanical and other Public Gardens—***

The expenditure under this head

| | Rs. | a. | p. |
|---|---|---|---|
| Amounted in 1895-96 to ... ... | 4,804 | 0 | 1 |
| against in 1894-95 to ... ... | 3,863 | 6 | 1 |
| Showing an increase of ... ... | 940 | 10 | 0 |

The increase is due to various reasons. During the year additional Mális were employed and a few bullocks were purchased for the maintenance of the gardens. The cost of European vegetable seeds, which are being distributed very freely in order to encourage the growth of European vegetables, was more than in the last year. The high price of fodder which prevailed throughout the year has also added to the increase to some extent.

22. ***20.—Stationery and Printing.***

Stationery purchased in country amounted

| | Rs. | a. | p. |
|---|---|---|---|
| In 1895-96 to ... ... ... | 305 | 8 | 0 |
| „ 1894-95 to ... ... ... | 206 | 10 | 7 |
| Increase ... | 98 | 13 | 5 |

The correspondence work is increasing day by day, and consequently the consumption of stationery is larger.

Under Printing the expenditure amounted to Rs. 200-11-10 against Rs. 220-8-3 in the previous year. Care is taken to reduce the expenditure as much as possible.

23. ***32.—Miscellaneous.***

(*a*) ***Staging Bungalow and Serai Establishments and charges—***

The expenditure incurred under this head amounted to Rs. 1,459-1-7 against Rs. 1,950-6-8 in the preceding year, showing a decrease of Rs. 491-5-1, which is due to reduction in the establishment owing to the transfer of some of the staging bungalows to the Provincial Government.

(*b*) ***Other Petty Establishment and charges***

| | Rs. | a. | p. |
|---|---|---|---|
| Amounted in 1895-96 to ... ... | 25,868 | 9 | 5 |
| „ 1894-95 to ... ... | 23,941 | 11 | 7 |
| Increase ... | 1,926 | 13 | 10 |

The chief item of expenditure under this head is planting and preservation of road-side trees, and the Local Boards spend annually from 20 to 25 thousand rupees. Last year the actual expenditure amounted to Rs. 24,555-6-2 against Rs. 22,528-15-10 in the preceding year. The increase occurred in the cost of establishment as additional Mális were entertained to look after trees on several roads and camping grounds. There was an increase in the contingencies also. In a hot climate like Sind, tree plantation is a great desideratum and we cannot well grudge the expenditure in view of the comfort the shade affords to the people.

(*c*) *Miscellaneous and Unforeseen Charges—*

| | Rs. | a. | p. |
|---|---|---|---|
| In 1895-96 ... ... ... | 969 | 12 | 0 |
| and | | | |
| „ 1894-95 ... ... ... | 626 | 13 | 0 |
| Increase ... | 342 | 15 | 0 |

This expenditure represents the amount of cess assigned to Municipalities under Section 47 of the Bombay Local Boards Act, I of 1884. The increase is due to increased cultivation within Municipal limits.

(*d*) *Miscellaneous Refunds—*

Rupees ... ... ... ... ... 1,267

This includes Rs. 1,000 on account of the Ratádero Municipality's contribution towards the construction of a new dispensary building at Ratádero, the amount was paid back to the Municipality as the object for which it was taken was abandoned, and Rs. 267 are on account of Government contribution towards the construction of a well adjusted to the credit of the Provincial under the Accountant General's instructions as the work was not completed. The amount was drawn again in March 1896 and paid to the contractor.

There is a large increase in expenditure on works and repairs carried out by Civil Agency under all heads. In consequence of this the expenditure on establishment and contingencies appertaining to Public Works also has been great. In original buildings the increase is due to the construction of four new schools and six musáfarkhánas and additions and alterations to several existing schools and musáfarkhánas. The number of new bridges constructed during the

year was much larger than in the preceding year. The Local Boards provided six new camping grounds during the year under report at different places. Camping grounds are a great necessity, and any improvement in this connection is most welcome.

Repairs to buildings, roads and bridges have been very extensive as the floods of 1894-95 had caused great damage.

The cost of original works and repairs carried out by the Public Works Agency show a great falling off, as no new dispensary buildings were constructed during the year under report, and under repairs only the arrear claims with respect to the staging bungalows transferred to the Public Works Department under Government Resolution No. 215 C.W. —1151 of 19th July 1894, are shown.

25 *Contributions—Rs.* 197.

Under this head is shown the usual contribution of Rs. 50 which is annually given by the Táluka Local Board of Náushera to the Public Works Department for maintaining a road along the spoil bank of the Ghár canal as stated in the last year's report.

Rs. 147 is on account of the provincial grant for repairs to the road which lies in the Khairpur Territory paid back to Government, the road having been re-transferred to the provincial services,—*vide* Government Resolution No. 159 A—651 of 10th April 1894.

which is due to larger expenditure having been incurred on works and repairs during the year under report as compared with the preceding year.

27 STATEMENT IV.

This statement shows details of the works undertaken for the improvement of village sanitation.

The number of new wells constructed was greater than in the preceding year, being 38 wells against 12. One new tank was dug in the Kakar Táluka. The liberal help offered by Government for the improvement of village water-supply was availed of in three out of four divisions, and 30 wells were sunk with the Government aid.

The existing sources of water-supply were improved at a cost of Rs. 8,019-10-9 against Rs. 4,276-8-10 last year.

The larger expenditure under this head was due to extensive repairs effected to the European Bath and the wells attached to it at Shikárpur. Owing to scarcity of water in that locality the improvements effected have proved a great public convenience. The expenditure in connection with the improvement of village sites amounted to Rs. 1,729-15-0, whereas in the previous year no expenditure was shown under this head.

I have the honour to be,
Sir,
Your most obedient Servant,
A. MAYHEW, Colonel,
Collector of Shikárpur.

To

THE COMMISSIONER IN SIND,

*Deputy Commissioner's Office,*
*Hyderabad, 20th June 1896.*

SIR,

I.—Constitution.
II.—Income.
III.—Expenditure.
IV.—Sanitation.

I have the honour to submit the Annual Administration Report on the working of the Local Boards in this District for the year ending 31st March 1896, together with the four statements marginally noted.

STATEMENT No. I—CONSTITUTION.

2. With the exception of the Mirpur Board transferred from the Hyderabad Collectorate with effect from 1st August 1894, the District and Táluka Local Boards were constituted under Government Resolution No. 1293, dated 12th February 1885, as modified by Government Resolution No. 4389, dated 29th June 1891.

3. The total population and area within the limits of the district shown in columns Nos. 4 and 5 is the same as shown last year, the area and population of the municipal towns of Umarkot and Mithi having been omitted from these columns.

4. The total number of members constituting the several Boards has been the same as last year, *viz.* 68, of which 60 are nominated and 8 elected. The extension of the elective franchise to this district (exclusive of Mirpur Khás) was not considered expedient, owing to the comparatively backward condition of the people. Out of the 8 elected members, 6 were returned on the Mirpur Board, in which táluka the elective system is in force; the remaining two members are representative of the municipalities of Umarkot and Mithi.

5. A sufficient number of meetings has been held in consideration of the work to be done. The funds at the disposal of the Táluka Boards were so insignificant that it was not necessary to hold more meetings. The business of the Board is practically carried on by the official members. The non-officials as yet take but little interest in their duties, but content themselves with attending the meetings and agreeing to the proposals brought forward by the official members who have worked satisfactorily.

6. The inadequate attendance of members at the meetings is due to the fact that some of them live in villages situated at a considerable distance from the head-quarter station and to the apathy above referred to.

STATEMENT II.

7. The year opened with a balance of Rs. 16,698-8-11. The income of the several Boards during the year amounted to Rs. 74,047-10-1. The total amount at the disposal of the Boards was thus Rs. 90,746-3-0. The items of income and the reasons for increases and decreases as compared with the last year are given below.

*VI.—Provincial Rates.*

8. The receipts under this head amounted to Rs. 48,278-8-0 as against Rs. 33,447-1-0 in the previous year, showing a net increase of Rs. 14,831-7-0, which is due to an increase in rabi cultivation.

*XII.—Interest.*

9. The sum of Rs. 715-11-2 is on account of the interest on the closing balances of certain minor municipalities which have been abolished. These balances were invested in Government paper, and the interest is annually credited to Local Funds, in consideration of which the Local Boards have undertaken to maintain certain institutions in the villages concerned. The decrease of Rs. 204-8-11 under this head is due to an advance received during 1894-95, as interest at half per cent. from 1st May 1894 to 31st July 1895, on Government Promissory Notes of the value of Rs. 12,000 transferred from four per cent. of 1854-55

to 3½ per cent. of 1865. The sum of Rs. 34-14-8 under the same head is on account of interest on Rs. 1,000 at 3½ per cent. of the Chachra Dispensary Fund invested in Government Paper.

10. *XVII—Police.—Receipts under Cattle Trespass Act.*—The receipts under this head amount to Rs. 5,605-4-2 as against Rs. 3,963-2-3 in the previous year, showing an increase of Rs. 1,642-1-11, which is due to larger receipts under this head in Sanghar Táluka owing to the opening of a Pound in the Makhi Dhand in connection with the measures taken for the suppression of outlawry.

11. *XIX—Education.*—The sum of Rs. 54-2-2 represents fees levied in Khan and Mirpur schools in the Táluka of Mirpur Khás against Rs. 36-8-0 in the previous year, showing an increase of Rs. 17-10-2, which is due to the receipts under this head for the Mirpur Khás Táluka transferred to this district from 1st August 1894 having been taken into account for the whole of the year 1895-96 instead of for eight months as in the previous year.

12. The sum of Rs. 94-0-1 shown under Miscellaneous is made up as follows:—

As compared with the last year's figures there is an increase of Rs. 1,474-14-9, which is chiefly due to the opening of the new Local Board Dispensary at Sanghar.

14. *XX—Medical Contributions—Rs. 66.*—This sum was received from the Umarkot and Mitti Municipalities towards vaccination charges under Government Resolution No. 975, dated 14th March 1891, General Department.

15. *XXI—Scientific and other minor Departments.*—There is an increase of Rs. 192-11-0 under garden receipts, partly due to higher bids received at the auction-sale for garden produce in the Umarkot Táluka, and partly to the transfer of a garden at Mirpur Khás to the District Local Board under Government Resolution No. 844, dated 28th January 1896, the receipts from which, Rs. 63-5-7, have been credited to the District Board. Rs. 279-9-3, shown under experimental cultivation, represents the sum realized on account of the price of wheat and bájri seed advanced to the zamindárs.

16. *XXV—Miscellaneous.*—The sum of Rs. 6-15-3 is on account of sale-proceeds of old materials. "Serai" fees (Rs. 329-1-6) represent rents paid by Government servants for occupying quarters built by Local Fund and the rent of the market at Nagar. The total, Rs. 32-6-11, under other items is made up as follows:—

| | Rs. | a. | p. |
|---|---|---|---|
| 1. Recovery of pay drawn in excess by the Local Fund servant employed for watering trees in Umarkot táluka ... ... ... ... | 10 | 0 | 0 |

17. *XXXII—Civil Works.*—The sum of Rs. 1,029-10-8 represents the contributions received from the following zamindárs for constructing wells in order to improve water-supply in villages,—*vide* Government Resolution No. 1140, dated the 10th March 1896, General Department:—

| | Rs. | a. | p. |

| 7. | Dispensaries ... ... ... ... | 2,550 | 0 | 0 |
| | Total ... | 15,526 | 2 | 7 |

As there is no special column provided for the above items in Statement No. II, they have been shown under this head as directed by Government Resolution No. 3847, dated the 5th June 1891. Comparing these receipts with those of last year, a net increase will be found of Rs. 2,981-0-7 due principally to a grant of Rs. 1,630 having been sanctioned by Government Resolution No. 1140, dated the 10th March 1896, General Department, for improving water-supply in villages, and also to an additional grant of Rs. 700 towards the maintenance of the new Local Board Dispensary at Sanghar.

19. The incidence of taxation and that of income per head of population is shown against each Board. The incidence of taxation on the whole district population is 2 annas and 4 pies per head, and the incidence of income (excluding opening balance) is 3 annas and 7 pies per head. This shows an increase of pies 8 on the former and pies 10 on the latter, as contrasted with that of the preceding year. The increase is due to the increase in the amount of income.

### Statement No. III.

20. The sum of Rs. 2,356-14-3 under "18—Administration" is on account of pay and bhátta to the establishment entertained in the office of the Deputy Commissioner, Thar and Párkar. The decrease under this head, as compared with the figures of the last year, is Rs. 671-12-9, and is due to the salary of the Local Fund Overseer, which was shown under this head in accordance with the instructions contained in Government Resolution No. 5325 of the 29th July 1890, having now been transferred to the head Establishment and Contingencies appertaining to Public Works under Civil Works in charge of Civil Officers under orders of Government contained in their Resolution No. 16, dated the 3rd January 1896, General Department.

*Office Contingencies.*

21. There is an increase of Rs. 321-7-8 under this head, which is chiefly due to the purchase of dead-stock articles required for the use of the office of the Vice-President, District Local Board, and for the Táluka Local Board offices.

22. The sum of Rs. 377-7-5, shown under payments of establishments for offices of accounts, control and audit, is made up as follows:—

| | | Rs. | a. | p. |
|---|---|---|---|---|
| 1. | Share of Establishment in the office of the Commissioner in Sind ... ... ... | 104 | 11 | 0 |
| 2. | Do. Accountant General's office ... ... | 211 | 0 | 0 |

### *22.—Education.*

23. ***Middle and Primary Schools.***—As compared with the last year's figures there is an increase of Rs. 1,354-9-2, which is due to the figures for the Mirpur Khás Táluka transferred to this district from 1st August 1894 having been taken into account for the whole of the year 1895-96 instead of for eight months in 1894-95.

24. *Grant-in-aid, Rs.* 3,177-12-0.—The following grants were made during the year under report:—

| | | | Rs. | a. | p. |
|---|---|---|---|---|---|
| 1. | Contribution towards the | Mahomedan Madrassah ... | 400 | 0 | 0 |
| 2. | Do. | Dayárám Jethmal College ... | 200 | 0 | 0 |

| 9. | Do. | Indigenous School ... | 817 | 12 | 0 |
| | | Total ... | 3,177 | 12 | 0 |

As compared with the last year's figures there is an increase of Rs. 303-8-0, which is due to the increased grant having been given towards the maintenance of indigenous schools in this district.

26. *Scholarships.*—The sum of Rs. 549-10-0 shown against the District Local Board, General, is on account of the pay and contingencies of a student by name Shekh Ahmed Mahomed Ismail who has joined the Veterinary College on the condition that on finishing his course at the college he will serve this district for a period of not less than three years on a salary of Rs. 50 per mensem, and that he will further undertake to refund the Board all the expenses incurred by them in the event of relinquishing his post before the expiration of the prescribed period. Mr. Shekh Ahmed obtained a diploma in May last and has declined to serve the Board on Rs. 50 per mensem as agreed upon by him. He has therefore been informed that if he is not willing to serve on the pay as fixed in the agreement passed by him on 31st December 1894, *viz.* Rs. 50 per mensem, he should refund all the cost incurred on his account, which amounts to Rs. 727-5-11. In accordance with your instructions conveyed in your No. 1725, dated the 6th August 1895, I have shown this expenditure under Scholarships subordinate to 22, but this, I think, should more appropriately appear under Veterinary charges, *vide* copy of the Accountant General, Bombay's letter No. L. F.—19564, dated the 23rd October 1895, herewith attached.

As compared with the last year's figures there is an increase of Rs. 409-14-1 which is due to the expenditure during the last year on this account having been only incurred for seven months. The sum of Rs. 671-10-5 against District Local Board, General, represents the pay of students at the Training College as also the scholarships given to the Primary, Middle and Special schools.

27. The sum of Rs. 2,376-9-0 under Miscellaneous is composed of the following items:—

| | | Rs. | a. | p. |
|---|---|---|---|---|
| 1. | Rent ... ... ... ... ... | 232 | 4 | 0 |
| 2. | Cost of Books ... ... ... ... | 211 | 1 | 3 |

| 4. | Contingencies and Miscellaneous ... ... | 1,243 | 6 | 0 |
| 5. | Prizes... ... ... ... ... | 240 | 2 | 9 |
| | Total ... | 2,376 | 9 | 0 |

As compared with the last year's figures there is an increase of Rs. 359-11-3, which is due to the figures for the Mirpur Khás Táluka transferred to this district from 1st August 1894 having been taken into account for the whole of the year 1895-96 instead of for eight months as in 1894-95.

*Hospitals and Dispensaries.*

28. The sum of Rs. 974-9-10 under this head against the District Board, General, represents the following grants to Charitable Dispensary:

| | | Rs. | a. | p. |

As the Government Grant-in-aid Dispensary at Sanghar was only opened from the 19th May 1895, arrangements for supplying medical relief during the sickly season at Sanghar, the head-quarter of the táluka and an out-of-the-way place situated in a malarious part of the country, was made at the cost of the Táluka Local Board; the expenditure on this account was Rs. 130-10-5 and has been shown against the Táluka Local Board, Sanghar. The sum of Rs. 7,291-7-3 represents the expenditure on the following Government grant-in-aid dispensaries:—

As compared with the last year's figures there is an increase of Rs. 1,556-12-8, which is due to the opening of the new grant-in aid-dispensary at Sanghar from May 1895 and also on account of the additions and alterations made to the present dispensary building at Mirpur Khás.

29. The sum of Rs. 3,341-13-9 represents the expenditure on account of the vaccination establishment. As compared with the last year's figures there is an increase of Rs. 406-0-5, which is partly due to the expenditure for the Mirpur Khás Táluka transferred to this district from 1st August 1894 having been taken into account for the whole of the year 1895-96 instead of for 8 months in 1894-95, and partly to the adjustment of the sum of Rs. 187 on account of the pay of the vaccinators for the month of March 1895 made in advance as required by the Vaccination Department. The sum of Rs. 1,372 under sanitation charges is on account of the grants made to the following Sanitary Boards, *vide* Government Resolution No. 1171, dated 11th March 1896, General Department:—

*26.—Scientific and other Minor Departments.*

30. The sum of Rs. 65-6-0 under experimental cultivation is on account of the cost of English vegetable seeds obtained for experimental purposes.

31. The sum of Rs. 126-1-5 shown under bull and stallion charges is on account of the feeding charges of the donkey stallion "Pharah."

The previous donkey stallion "Logie" was found useless; he was therefore transferred to Jacobabad on the 12th October 1895 and was replaced by "Pharah" donkey stallion, Italian. The new stallion arrived at Mirpur Khás in this district on the 7th February 1896, and promises to become popular.

32. The sum of Rs. 50 is on account of contribution towards the zoological garden at Karáchi.

33. The sum of Rs. 32-4-1 is on account of cost of forms.

34. The sum of Rs. 811-7-1 represents the pay of watchmen employed at dharmsháls. As compared with the last year's figures there is an increase under this head of Rs. 26-3-1 owing to vacancies during 1894-95.

35. The sum of Rs. 4,170-1-6 under "other petty establishment" represents the expenditure on road-side trees and for the maintenance of two boats at the 18th and 24th miles of the Mithráo Canal. There were originally wooden bridges at these places, but it was found necessary to remove them as they obstructed the flow of water and would not admit of the passage of boats. In lieu of these two bridges ferry boats have been provided at these places. The boats were supplied by the Public Works Department and the working expenses are met from Local Funds. As compared with the last year's figures there is a decrease of Rs. 166-3-6, which is due to less expenditure on account of miscellaneous contingencies having been incurred in some tálukas.

36. The sum of Rs. 13-3-0 shown under Miscellaneous and Unforeseen Charges is made up as follows:—

| | | Rs. | a. | p. |
|---|---|---|---|---|
| 1. | Amount assigned to Umarkot Municipality under Section 47 ... | 12 | 12 | 0 |
| 2. | Do. Mitti do. ... | 0 | 7 | 0 |
| | | 13 | 3 | 0 |

As there is no special head provided for the above items they have been shown under this head under instructions conveyed in your Nos. 53 and 375 of the 9th January and 28th February 1894, respectively.

*Civil Works in charge of Public Works Officers.*

The expenditure under this head is Rs. 5,767-4-5, which was incurred on the following works:—

| | | Rs. | a. | p. |
|---|---|---|---|---|
| 1. | Completing the work of the dispensary building at Sanghar ... ... ... ... | 4,445 | 3 | 9 |
| 2. | Improving and repairing the road along the bank of Mithrau Canal to facilitate communication with the line of rail ... ... ... ... | 943 | 4 | 9 |
| 3. | Improving and repairing the road along the bank of Thar Canal ... ... ... | 378 | 11 | 11 |
| | Total ... | 5,767 | 4 | 5 |

The aggregate expenditure both by Civil and Public Works officers amounts to Rs. 24,657-15-4. The increase of Rs 3,991-9-4, as compared with the last year's figures, is due to the construction of a new dispensary building at Sanghar. As desired in your No. 1733, dated the 6th August 1895, the following is the progress made in material improvements in this district during the year under report: (1) the road from the 33rd mile, Mithrau Canal, to protective embankment *viâ* Phulahdi and the road from Pir Pithoro to Shadipalli village were raised at an aggregate cost of Rs. 2,057 in order to facilitate traffic between Shadipalli Station, Umarkot, and Phulahdi during the inundation season. A bridge over Denganwah on road from Bareji to Shadipalli Station was also constructed at a cost of Rs. 610, and Rs. 943-4-9 were spent on improving and repairing the road along the bank of the Mithrau Canal to facilitate communication with the railway at Shadipalli. The construction of the dispensary building at Sanghar was undertaken as per plan and estimate sanctioned by Government in their Resolution No. 2952 of the 28th August 1891. The cost of the building amounts to Rs. 7,441-14-8, of which Rs. 2,996-10-11 were spent in 1894-95 and Rs. 4,445-3-9 during the year under report. The work was completed in May 1895 and the grant-in-aid dispensary was opened from the 19th of the latter month.

*Contribution to Provincial.*

38. The sum of Rs. 2,000 under this head is on account of the contribution to the Hyderabad-Umarkot Railway. The Board bound itself to contribute a sum of Rs. 20,000 towards the construction of the Hyderabad-Umarkot Railway, out of which Rs. 8,000 were paid in 1891-92, Rs. 8,000 in 1893-94, Rs. 2,000 in 1894-95, and the balance, Rs. 2,000, has been paid during the year under report.

*Debt Account—Rs. 1,350.*

39. The debt account consists merely of the permanent advance for Local Fund works given to the following Boards:—

| | | Rs. |
|---|---|---|
| 1. | President, District Local Board, Thar and Párkar ... | 50 |
| 2. | Umarkot Local Board ... ... ... ... | 200 |
| 3. | Khipro do. ... ... ... ... | 50 |
| 4. | Párkar do. ... ... ... ... | 150 |
| 5. | Cháchro do. ... ... ... ... | 300 |
| 6. | Mirpur do. ... ... ... ... | 300 |
| 7. | Sanghar do. ... ... ... ... | 300 |
| | Total ... | 1,350 |

40. The opening balance of the District and Táluka Boards on the 1st April 1895 amounted to Rs. 16,698-8-11, and the income during the year under report amounted to Rs. 74,047-10-1, making a total of Rs. 90,746-3-0. The expenditure of the year amounted to Rs. 70,273-7-3, leaving a closing balance of Rs. 20,472-11-9. The maximum balance for this district is fixed at Rs. 8,000, whereas the balance on the 1st of April 1896 amounted to Rs. 20,472-11-9. The excess is due to several works provided for in the budget for 1895-96 not having been carried out owing to unavoidable circumstances. The works have therefore again been provided in the current year's budget.

STATEMENT IV—SANITATION.

41. In the year under report one tank was sunk and 25 wells repaired.

42. Having only taken charge of the district for the first time less than a month ago, I have had but little opportunity of personally acquainting myself with the wants of the district and the manner in which the Local Fund administration works. My predecessor has, however, left on record a note showing that in his opinion all members of the establishment worked well and he particularly mentions Mr. Ghanshamdas, Local Fund Accountant, whose long connection with the district renders him invaluable. I have had an opportunity of seeing one or two works constructed from plans and estimates made by Mr. Tirithsing, Local Fund Overseer, and was well satisfied as to his competence.

I have the honour to be,

Sir,

Your most obedient Servant,

H. C. MULES,

Deputy Commissioner, Thar and Párkar.

SIR,

With reference to your endorsement No. 432, dated the 1st of October 1895, I have the honour to state that the scholarships and contingencies payable to the student attending the Veterinary College should be debited to the entry "Scholarships in the Veterinary College, Bombay," subordinate to "26 Scientific and other Minor Departments" as budgetted for, and not to "22 Education." Accordingly the sum of Rs. 139-11-11 in the abstract statement of the accounts for 1894-95 was correctly shown under "Veterinary Charges" by this office.

LOCAL FUND DEPARTMENT.

FROM

THE DEPUTY COMMISSIONER,
Upper Sind Frontier;

To

THE COMMISSIONER IN SIND.

*Deputy Commissioner's Office,*
*Jacobabad, dated* $\frac{23rd}{27th}$ *June* 1896.

SIR,

I have the honour to submit the Annual Administration Report on the working of the Local Boards in the Upper Sind Frontier District for the year 1895-96, together with the Statistical Tables I to IV in the form prescribed by the Government of India.

STATEMENT No. I.

2. This statement shows the strength of each Local Board, the number of meetings held, and the average attendance at each. The Local Boards of this district are constituted in accordance with Government Resolution No. 9547, dated the 3rd December 1884.

3. The total population of the district is the same as shown last year.

4. A further difference in the area of the district amounting to 90·44 square miles has been discovered on the revision survey of Kashmor Táluka in 1894-95.

5. The number of meetings held during the year were sufficient except in Jacobabad and Shahdádpur Tálukas. The Presidents of those Boards have been called upon to explain why they held so few meetings. Their explanation will be submitted separately to the Commissioner in Sind.

6. The District Local Board held two half-yearly and one special meeting during the year.

7. The members of the Boards are gradually learning to take an interest in the business of the district. They suggest the necessity for local improvements, such as new wells, new tanks, and improvement of old ones, new culverts and bridges, but, as in other districts, they are led to a great extent by the official members of the Boards to whose suggestions they readily agree, and they are decidedly not obstructive. This is as much as can be said for them.

STATEMENT No. II.

*Income.*

8. The year opened with a balance in hand of Rs. 40,733-10-6 as against Rs. 34,674-2-10, opening balance of the previous year.

*XII.—Interest.*

*XVII.—Police.*

12. The receipts under this head represent the net profits of the pounds in non-municipal towns. There is an increase of Rs. 1,101-8-5 in the year under

| | Total ... | 6,374 | 12 | 8 |

The increase of Rs. 1,697-12-8 is mainly due (1) to the contribution from Zamindárs, &c., for the establishment of a dispensary at old Thul, and (2) contribution for the construction of water-courses.

*Contribution.*

20. The sum of Rs. 17,317-12-10, shown under "Contributions from Provincial to Local," is made up as follows :—

| | | Rs. | a. | p. |
|---|---|---|---|---|
| 1. | Government grant on account of the Provincial roads ... | 3,429 | 0 | 0 |

| | Total ... | 17,317 | 12 | 10 |

There is a decrease of Rs. 2,598-12-9 as compared with the figures of the past year, which is mainly attributable to the Government grant of Rs. 2,000 on account of the Sind Horse Show having been given to the Shikárpur District Local Board; the show having been held during the year at Shikárpur, and to the increase in the fishery receipts.

*From Other Boards.*

21. The Local Fund grant was Rs. 800 and Rs. 600 for Shahdádpur and Kashmor Dispensaries, the same amount as was contributed during the preceding year.

22. The income of the year from all sources was Rs. 85,852-9-9 as against Rs. 79,493-1-2, which, when added to the closing balance of the last year, (Rs. 40,733-10-6), gave a total of Rs. 1,26,586-4-3.

23. The incidence of taxation and that of income per head of population is shown against each Board. The incidence of taxation on the whole district population is Re. 0-5-8, and the incidence of income (excluding opening balance)

is Re. 0-8-6. This shows an increase of 10 pies in the former and 6 pies in the latter as contrasted with the preceding year.

The increase is due to the increase in the amount of income.

STATEMENT No. III.

24. The following details are explanatory of each of the items in Statement III as stand in need of further elucidation.

*XVIII.—Administration.*

25. The items comprised under this head are as follows :—

| 1895-96 ... ... ... ... | 1,898 | 12 | 0 |
| Decrease ... | 25 | 6 | 5 |

The small decrease is due to the consolidated sum of Rs. 1,898-12-0 fixed in terms of Government Resolution No. 1536, dated 2nd April 1892, having been credited to Government on account of the Local Fund Establishment instead of the actual expenditure as desired by the Accountant General in his No. $\frac{\text{T. A. IV.}}{1674}$, dated 22nd April 1896.

Office Contingencies—

| | Rs. | a. | p. |

| | Rs. | a. | p. |
|---|---|---|---|
| 1894-95 ... ... ... ... | 16,571 | 13 | 7 |
| 1895-96 ... ... ... ... | 15,211 | 7 | 9 |

which is mainly attributable to highly paid teachers having been replaced by lower paid ones.

Grant-in-Aid—

| | Rs. | a. | p. |
|---|---|---|---|
| 1894-95 ... ... ... ... | 3,213 | 8 | 3 |
| 1895-96 ... ... ... ... | 2,363 | 11 | 0 |
| Decrease ... | 849 | 13 | 3 |

The items comprised under this head are the following:—

| | | Rs. | a. | p. |
|---|---|---|---|---|
| 1. | Sind Arts College ... ... ... ... | 250 | 0 | 0 |
| 2. | Mahomedan Madrassah ... ... ... | 250 | 0 | 0 |

| 4. | Midwifery School ... ... ... ... | 200 | 0 | 0 |
| 5. | Technical School ... ... ... ... | 300 | 0 | 0 |
| 6. | Female Normal School, Hyderabad ... ... | 500 | 0 | 0 |
| 7. | Grant-in-aid to Local Fund Indigenous Schools ... | 663 | 11 | 0 |

The decrease is chiefly due to less expenditure having been incurred under "Grant to Indigenous Schools."

*Scholarships.*—The sum of Rs. 1,009-0-10 shown under this sub-head is composed of the following sums:—

| | | Rs. | a. | p. |
|---|---|---|---|---|
| 1. | Hyderabad Training College ... ... ... | 973 | 0 | 10 |
| 2. | Scholarships, Special and Middle Schools ... ... | 36 | 0 | 0 |
| | Total ... | 1,009 | 0 | 10 |

The decrease of Rs. 214-6-7 is caused by the transfer of the Agricultural School to the Village Cess Fund Budget. The amount shown under sub-head "Miscellaneous" subordinate to "22—Education" represents the cost of prize books.

On comparison with the figures of the last year there is a decrease of Rs. 97-10-5, which is due to a smaller number of prize books having been purchased for Local Board Schools.

### *XXIV.—Medical.*

27. The expenditure under this head amounted in—

| | Rs. | a. | p. |
|---|---|---|---|
| 1894-95 ... ... ... ... | 5,189 | 13 | 7 |
| 1895-96 ... ... ... ... | 4,995 | 4 | 6 |
| Decrease ... | 194 | 9 | 1 |

This is chiefly due to decrease in the expenditure under Hospitals and Dispensaries. It may be noted here that the Boards incurred more expenditure during the year under the head "Sanitation Charges," which comprise the expenditure incurred in clearing jungle in and round the sites of villages in terms of Government Resolution No. 2994, dated 25th August 1893, General Department, at a cost of Rs. 588-8-7, and in the entertainment of Conservancy Establishment for the town of old Thul at a cost of Rs. 156.

### *26.—Scientific and other Minor Departments.*

28. Under the head "Horse Fairs," the expenditure was as follows:—

| | Rs. | a. | p. |
|---|---|---|---|
| 1894-95 ... ... ... ... | 5,694 | 5 | 2 |
| 1895-96 ... ... ... ... | 2 | 14 | 0 |
| Decrease ... | 5,691 | 7 | 2 |

This is due to the fact that during the year under report the show was held at Shikárpur.

Bull and Stallion charges—

| | Rs. | a. | p. |
|---|---|---|---|
| 1894-95 ... ... ... ... | 1,651 | 12 | 10 |
| 1895-96 ... ... ... ... | 1,609 | 13 | 8 |

showing a decrease of Rs. 41-15-2, which is due to a smaller number of stallions being present in the district than the previous year.

29. The figures under this head represent, it may be noted, two-fifths of the entire expenditure incurred on the feed and keep of the horse and donkey stallions in this district, being the proportion of the charges due by Local Funds as sanctioned by Government in terms of their Resolution No. 4613, dated 11th July 1888. In all 7 horses, 1 pony and 5 donkey stallions are maintained.

30. The sum of Rs. 24-12-0, shown under "Botanical and other Public Gardens," represents the cost of vegetable and flower seeds purchased for planting in the nursery gardens in the táluka head-quarter stations in this district.

31. Under "Printing" the expenditure during the year under report is more than in the previous year:—

| | Rs. | a. | p. |
|---|---|---|---|
| 1894-95 ... ... ... ... | 88 | 4 | 10 |
| 1895-96 ... ... ... ... | 101 | 11 | 2 |
| Increase Rs. ... | 13 | 6 | 4 |

*XXXII.—Miscellaneous Petty Establishments.*

| 1895-96... ... ... ... | 647 | 14 | 8 |
| Increase Rs. ... | 86 | 10 | 10 |

This is due to the entertainment of additional Chowkidárs to look after the Musáfarkhánas.

*Other Petty Establishment and Charges.*

| | Rs. | a. | p. |
|---|---|---|---|
| 1894-95... ... ... ... | 2,425 | 10 | 0 |
| 1895-96... ... ... ... | 3,067 | 14 | 7 |
| Increase Rs. ... | 642 | 4 | 7 |

Under this head is entered the cost of road-side trees establishment and other expenditure in connection with tree planting.

The sum of Rs. 216-8-11, shown under "Miscellaneous and Unforeseen Charges" subordinate to "32 Miscellaneous" represents the expenditure incurred in connection with His Excellency the Governor of Bombay's visit to Jacobabad.

The sum of Re. 0-1-3, shown under "Miscellaneous Refunds" is on account of the sale-proceeds of Cinchona tin case erroneously credited to Local Funds.

45. *Civil Works in charge of Civil and Public Works Officers.*

This has been shown under this head in terms of Government Resolution No. 16, dated 3rd January 1896, General Department. I should say that the Overseer has not only been useful for inspecting the works, but prepares also plans and estimates, and thereby saves the Board from the 12 per cent. charges of the Public Works Department.

39. I may mention here that the Village Sanitation Act is not in force in any of the villages in this district.

40. No special grants were made by Government during the year for water-supply works in this district. A sum of Rs. 233 was received during the year under report as popular contribution for the construction of a well at the Village of Alaf Khan, and the well was sunk there and Rs. 700 spent thereon.

41. During the year 1894-95, Rs. 2,014 were contributed by Government towards the cost of sinking nine wells. Such of the wells which could not be completed during that year were completed during the year under report, *vide* details given in paragraph 32.

### DHA'RWA'R.

*Statement showing the Original Cost, Mileage and present Condition of all Local Roads in charge of the Executive Engineer, Dhárwár District, for the year* 1895-96.

| No. | Names of Local Roads. | Length in miles. | Original cost. | Remarks as to the present condition. |
|---|---|---|---|---|
| | | | Rs. | |
| 1 | Navalgund-Annigeri road. | 11½ | 1,10,226 | Metalled throughout and in good order. Three unbridged streams sometimes give a little trouble. |
| 2 | Navalgund-Ron road. | 28 | 1,49,007 | A fair weather road only, unbridged as to the large streams and murumed for only 20 miles. |
| 3 | Masur-Mundergi road. | 47 | 32,248 | A fair weather road, misnamed. From Masur to Guthal the road is made or being made. North of Guthal towards Mundergi, a distance of 25 miles, there is no road at all, nor is a road likely to be made for many years. Just outside Mundergi the road is made for 9 miles only in the direction of Guthal. |
| 4 | Pála-Bádámi road ... | 78 | 1,45,600 | This also is a too ambitiously named road. From Pala to Bankápur (19 miles) it is a good murum road, bridged throughout. From Bankápur to Yelvigi (14 miles) the road is bridged and metalled in the portions within British Territory, but there are bad breaks in the Native State of Savanur, Miraj (Junior). From Yelvigi the road is through Native States for a length of 15 miles and is fair in places and indifferent in others. Near Mulgund, where British Terrritory is again entered, there is a break of 7 miles of unmade road to Harti. From Harti to the Bádámi frontier (37 miles) the road is fair, but unbridged, and heavy in the rains. During the year 1891-92 the improvements sanctioned by the District Board in 1887 for the portion between Gadag and Kotmachgi (14 miles) were completed, but there is much room still for improvements. The work done so far is all good, consisting of laying a murum surface and making up the nálla crossings with proper approaches and metalled roadway. The portion between Gadag and the Lakhshmeshwar boundary is now being improved. |
| 5 | Tádas-Gundi road ... | 34½ | Not known. | A fair weather road mostly unbridged. |
| 6 | Harihar-Samasgi road. | 51½ | Do. | A fair weather road metalled in places. |
| 7 | Byádgi-Havasbhávi road. | 10¾ | 24,690 | Do do. |
| 8 | Dhárwár-Tádas road. | 29¼ | 37,138 | A fair murum road bridged throughout. |
| | | M. ft. | | |
| 9 | Dhárwár-Haliyál road. | 17 556 | 21,980 | A metalled road, bridged and drained, in fair order. |
| 10 | Dhárwár-Soundatti road. | 13 1,425 | 29,825 | Partially metalled, but unbridged. |

W. L. CAMERON,
Executive Engineer, Dhárwár District.

About four miles of the road from Rewas side run through salt marshes and the mile near Rewas is in some places subject to damage by high water from Dharamtar creek. The pitched embankment is gradually settling in some places; otherwise the road is in good condition. The timber topped bridge at Saral in mile No. 12 requires new flooring. | |

| 3 | Road from Alibág to Revadánda (portion from Sakhar to Revdánda). | 8 | Not known... | This is also a murumed road rather too narrow in places where it winds through villages and garden lands. It is lower in some places than the adjoining gardens and compounds, and the water during rains collects over the surface, which becomes a running stream. It is a good road however in fair weather. | Transferred to Public Works Department for maintenance since 1892-93. |
| 4 | Portion of Pen-Panvel road between Dusviford and Kalhikhind. | 3½ | 16,998 | This road is 16 feet in width and is bridged and drained throughout and has a murum surface. It commences from the creek at Dusviford and ends at the foot of Kalhikhind, and is in very good order. | |
| 5 | Road from Pen to Khárapáda (portion of Pen-Panvel road | 8 | Not known... | It is a murum road 15 to 18 feet in width and is in good order, but crosses three unbridged creeks which are quite impassable at times during rainy season and more or less so always at high tides. | Transferred to Public Works Department for maintenance since 1892-93. |
| 6 | Portion of Pen-Panvel road from Kalhikhind to Palaspe. | 5¾ | 48,174 | The road is 18 feet in width. The whole portion was completed and opened for traffic during the year. It is a murumed road, bridged and drained, and in very good order. | |
| 7 | Portion of Pen-Panvel road from Palaspe to Kolka. | 1 | Not known... | This is a fair weather murum road requiring one nála to be bridged. | 9 | Section of Indápur and Tale road over Muthowli Khind. | 2½ | 17,066 | This road commences from a point about one mile west of Nagothna-Mahád road near Indápur and runs towards Talla through Muthowli Khind. The length through the hills which is repaired by Public Works Department has a murum surface, and is bridged and drained through out, and is in good condition. | |
